Guide to Intimacy

For parents trying to pass on the Catholic faith to their children and to their friends, this simple book will help them how to explain what Catholics do on Sunday and why they do it. The Mass should work at the deepest level of our being, changing us into people who share God's own life. For this to happen, we need to take part in it in a way that is inspired by the spirit of the Church's Liturgy. In simple language the First Section of this book leads us step by step through the Mass so that we may take part in it with a deeper reverence and understanding. Should we wish to dig more deeply, the Second Section is one into which we can dip from time to time to examine the meaning of some words associated with Sacred Scripture and the Sacrifice of the Mass. The Third Section considers some extra spirituality dealing with the Real Presence of Christ in the Eucharist. This book would be very suitable as an instruction text-book in Post-Primary Schools.

100 Days Closer to Christ

A definitive and illuminating biography of one of the most famous – and most famously unfinished – buildings in the world, the Sagrada Familia of Barcelona. Its scaffolding-cloaked spires reach up to the heavens, dominating the Barcelona skyline and drawing in millions of visitors every year. What seduces our attention is perhaps a combination: not only its almost megalomaniac ambition and architectural extravagance but the sheer longevity of its construction. Its creator, Antoni Gaudí, 'God's Architect', saw the first stone laid on 19 March 1882 and yet it is unlikely to be completed until 2026 at the very earliest. It has survived two World Wars, the ravages of the Spanish Civil War and the 'Hunger Years' of Franco's rule. It has defied the critics, the penny-pinching accountants, the conservative town-planners and the slaves to sterile modernism to witness the most momentous changes in society and history. The Sagrada Familia explores the evolution of this remarkable building, working through the decades right up to the present day before looking beyond to the final stretch of its construction. It is at once a guidebook and a chronological history, and a moving and compelling study of man's aspiration towards the divine. Rich in detail, vast in scope, this is a revelatory and authoritative study of a building and its place in history and the genius that created it.

Grapes of Glory

Sepher Rezial Hemelach is the long-awaited first English translation of this famous magical text a translation from the ancient Hebrew in the rare and complete 1701 Amsterdam edition. According to Hebrew legend, the Sepher Rezial was presented to Adam in the Garden of Eden, given by the hand of God, and delivered by the angel Rezial. The myth thus suggests that this is the first book ever written, and of direct divine provenance. A diverse compendium of ancient Hebrew magical lore, this book was quite possibly the original source for later, traditional literature on angelic hierarchy, astrology, Qabalah, and Gematria. Moses Gaster mentions this in his introduction to *The Sword of Moses* (1896) suggesting that the Sepher Rezial could be a primary source for many magic and qabalistic books of the Middle Ages. Sepher Rezial Hemelach is a compilation of five books: "The Book of the Vestment," "The Book of the Great Rezial," "The Holy Names," "The Book of the Mysteries," and "The Book of the Signs of the Zodiac." It includes extensive explanatory text on the holy names of God, the divisions of Heaven and Hell, the names and hierarchy of the angels and spirits, as well as symbolic interpretations of both the Book of Genesis and Sepher Yetzirah. It also includes material on astronomy, astrology, gematria, and various magical talismans, most notably those used for protection during childbirth. In his introduction, Steve Savedow details the history, bibliographical citations, and lineage of this famous work. He lists the old and rare manuscripts still in existence, and provides a bibliography of other reference works for study of the Western esoteric tradition.

A Beautiful Season

100 Days of Blessing

We all have moments of grace in our lives, glimpses of God's presence and God's mystery. The Word made flesh, God-with-us, inspires these moments and sometimes lets us see and feel that transformation in grace. In *100 Days Closer to Christ*, Father William C. Graham invites us to consider these moments and experience the transforming presence of God in our lives. These compelling essays invite you to immersion in joyful hope: dreams, disciplines, and promises; fond embraces and quiet satisfaction; plans and prospects; awe and wonder. The chapters consider moments of grace through encounters that resemble *lectio divina*, inviting reflections flowing from God's word or the church's life of prayer, giving flashes of insight and meaning on a pilgrim's way. The essays in *100 Days Closer to Christ* are meant to inspire thoughtful prayer. Whether they are seasonal or attitudinal, each seeks to stand before Mystery in awe, wonder, praise, and thanksgiving.
