Destination Belize

With 16 well-researched chapters and 26 useful maps, this new thoroughly updated second edition of Bradt's The Gambia remains the most comprehensive guide available in any language to what is the smallest country on mainland Africa. Significant development has taken place in recent years and this new edition offers all the latest updates, including new restaurants and hotels, detailed coverage of the many new eco lodges and camps that have sprung up, information on festivals, music workshops and opportunities to experience the unique local culture, and informed advice about birdwatching possibilities in a country very popular with first-time birders to Africa. As well as encompassing the popular coastal resorts, the guide also provides all the

detailed information required to explore the relatively undeveloped interior, making it ideal for both visitors on organised packaged holidays and independent travellers alike. Bradt's The Gambia reveals all the background and practical information needed to explore arguably Africa's most welcoming and safest country with its plethora of beach resorts – catering to all tastes and budgets – that line the 80km stretch of tropical coastline running from the capital Banjul to the remote southern border. Small in size but rich in African character, The Gambia offers perhaps the closest English-speaking 'winter sun' destination from Europe. Justifiably popular with birdwatchers, the lush mangrove- and jungle-fringed river is also home to crocodiles, hippos, chimpanzees and a variety of monkeys. Historic attractions include the mysterious megalithic stone circles at Wassu and Ker Batch, and the fortified James Island and former slave-trading village of Juffureh (to where Alex Haley traced his ancestry in the book and TV programme Roots) - all of which form part of the country's two UNESCO World Heritage Sites and offer rich pickings to moderately adventurous travellers. All in all, Bradt's The Gambia is the perfect companion for discovering this safe, welcoming and decidedly tourist-friendly English-speaking country which makes for an ideal short-stay introduction to the unique atmosphere of Africa.

Lonely Planet Caribbean Islands

Made up of more than just prairies (though these do make up the soul of the province), Saskatchewan offers a plethora of outdoor adventure opportunities. Long distance canoe trips on the Saskatchewan's mighty northern rivers, unlimited fishing options in the many lakes that dot the landscape, a well-established network of ATV and snowmobile trails and some of the best white-tailed deer hunting you can find anywhere are just a few of the attractions that draw outdoor explorers to Saskatchewan. Add to this the sweeping views, wide-open skies and unique geographical features such as the Athabasca Sand Dunes and the Cypress Hills, and you should be asking yourself why you have not yet visited this Canadian jewel (unless, of course, you already have). Luckily, the newest edition of our Saskatchewan Backroad Mapbook has everything you need to know about exploring beautiful Saskatchewan, complete with our industry-leading topographic maps and

meticulously researched adventure listings. Features - Map Key & Legend - Topographic Maps - Detailed Adventure Section >> Backroad Attractions, Fishing Locations, Hunting Areas, Paddling Routes, Parks & Campsites, Trail Systems, ATV Routes, Snowmobile Areas, Wildlife Viewing, Winter Recreation, Service Directory, Accommodations, Sales & Services, Tours & Guides, Index, Adventure Index, Map Index, Trip Planning Tools,

Environmental History and Ecology of Moreton Bay

This comprehensive directory contains more than 4,700 entries and provides detailed information on national and state parks for all 50 states, Puerto Rico, Guam, American Samoa, and the Virgin Islands. This edition features expanded coverage, entry enhancement, maps, and a special index that points to historical and geographical references. Each descriptive entry includes official name of park, mailing address, phone number, general location, acreage, facilities, activities, and special features. Coverage provides information on lodging, campground facilities, trails, historical and cultural attractions, and handicapped accessibility.

Stern'S Guide to the Cruise Vacation: 2018 Edition

Discover Fiji with the most incisive and entertaining guidebook on the market. Whether you plan to trek through the forests and highlands of Viti Levu, kick-back on the idyllic Mamanucas and Yasawa Islands or snorkel and dive some of the world's best reefs, The Rough Guide to Fiji will show you the ideal places to sleep, eat, drink and shop along the way. Inside The Rough Guide to Fiji - Independent, trusted reviews written in Rough Guides' trademark blend of humour, honesty and insight, to help you get the most out of your visit, with options to suit every budget. - Full-colour maps throughout - navigate the backstreets of Fiji's lively capital, Suva or the popular tourist hangout of Nadi without needing to get online. - Stunning, inspirational images - Itineraries - carefully planned routes to help you organize your trip. - Detailed regional coverage - whether off the beaten track or in more mainstream tourist destinations, this travel guide has in-depth

practical advice for every step of the way. Areas covered: Nadi; Suva; Labasa; Vita Levu; the Mamanucas and Yasawa islands; Kaduva; Vanua Levu; Taveuni; Lomaiviti and the Lau islands. Attractions include: the colonial town of Levuka; snorkelling and diving on the Astrolabe Reef; bird-watching in Bouma National Heritage Park; whitewater rafting in the Namosi Highlands; tribal artefacts at the the Fiji Museum; village homestays in the Yasawas islands; small-ship cruising round the remote Southern Lau islands; shark diving off Beqa island. - Basics - essential pre-departure practical information including getting there, local transport, accommodation, food and drink, health, the media, festivals, sports and outdoor activities, culture and etiquette, shopping and more. - Background information - a Contexts chapter devoted to history, religion, peoples, environment, wildlife and books, plus a handy language section and glossary. Make the Most of Your Time on Earth with the Rough Guide to Fiji

BEST OF FRANCE 2017 Petit Futé

In The Jersey Shore, Dominick Mazzagetti provides a modern re-telling of the history, culture, and landscapes of this famous region, from the 1600s to the present. The Shore, from Sandy Hook to Cape May, became a national resort in the late 1800s and contributes enormously to New Jersey's economy today. The devastation of Hurricane Sandy in 2012 underscored the area's central place in the state's identity and the rebuilding efforts after the storm restored its economic health. Divided into chronological and thematic sections, this book will attract general readers interested in the history of the Shore: how it appeared to early European explorers; how the earliest settlers came to the beaches for the whaling trade; the first attractions for tourists in the nineteenth century; and how the coming of railroads, and ultimately automobiles, transformed the Shore into a major vacation destination over a century later. Mazzagetti also explores how the impact of changing national mores on development, race relations, and the environment, impacted the Shore in recent decades and will into the future. Ultimately, this book is an enthusiastic and comprehensive portrait by a native son, whose passion for the region is shared by millions of beachgoers throughout the Northeast.

Reeds Nautical Almanac 2017

A few nautical miles South of Martinique, the island of Saint Lucia has been the theatre of numerous conflicts between France and the United Kingdom before becoming independent in 1979. The result of this double historical influence is a mixed heritage and, although Saint Lucia remains a privileged spot for English speaking travelers, the relations between Saint Lucia and the French West Indies are very strong. Spending a day or a week-end in Saint Lucia has been a habit of the Martiniquais for a long time. They come here looking for the locals' warmth and joie de vivre (joy of living), as well as the diverse landscapes, from the exceptional and unique diving spots to the iconic rocky peaks (Petit-Piton and Grand Piton) overlooking the Caribbean Sea. Do not miss the Saint Lucia Jazz & Arts Festival on Pigeon Island, in May, the main event of the year ! The carnival, in July, and the famous festivals of the fishing villages of Gros-Islet and Anse-la-Raye, are definitely other reasons for a short and colourful getaway.

TRINIDAD ET TOBAGO 2016/2017 Petit Futé

The south-east Queensland region is currently experiencing the most rapid urbanisation in Australia. This growth in human population, industry and infrastructure puts pressure on the unique and diverse natural environment of Moreton Bay. Much loved by locals and holiday-goers, Moreton Bay is also an important biogeographic region because its coral reefs, seagrass beds, mangroves and saltmarshes provide a supportive environment for both tropical and temperate species. The bay supports a large number of species of global conservation significance, including marine turtles, dugongs, dolphins, whales and migratory shorebirds, which use the area for feeding or breeding. Environmental History and Ecology of Moreton Bay provides an interdisciplinary examination of Moreton Bay, increasing understanding of existing and emerging pressures on the region and how these may be mitigated and managed. With chapters on the bay's human uses by Aboriginal peoples and later settlers, its geology, water quality, marine habitats and animal communities, and commercial and recreational fisheries, this book will be of value to students in the marine sciences,

environmental consultants, policy-makers and recreational fishers.

Gales

This new, thoroughly updated third edition of Bradt's Sierra Leone remains the only English-language guide dedicated to this unique West African destination, one of only three countries where the über-elusive pygmy hippo can be found and where coastal mountains and sheltered beaches are the stuff of daydreams and postcards. With Bradt's Sierra Leone you can explore the infamous diamond mines and rainforest-covered mountains; go in search of pygmy hippos or relax on the country's beaches and islands. Offering significantly more coverage than any other guide, it is an ideal companion for tourists, volunteers and international workers alike, and also covers newly declared eco-tourist sites as well as the trans-boundary 'peace park' of Gola Forest National Park, shared with neighbouring Liberia. This new edition also covers Freetown's new beach music festival, as well as details of everything from where to visit rescued chimpanzees to touring the traditional wooden-board homes of the Krio people, descendants of repatriated slaves from the Americas and Europe. Sierra Leone continues to be one of the best beach destinations in West Africa, and also one of the region's best trekking destinations, given the varied topography and the presence of Mount Bintumani, West Africa's highest peak. The country has seen a heartening recovery since emerging from civil war a decade ago and the Bradt guide is the first to take stock of the country's post-Ebola travel situation. Sierra Leone is proudly back on the tourism map for the adventurous, beach-loving, jungle-exploring, mountain-scaling and curious of heart traveller.

The Unofficial Guide to Walt Disney World 2017

Les Bahamas, un avant-goût du paradis ? Sans doute ce qui s'en rapproche le plus ! C'est un monde de plages, de corail, une mer aquarium, qui s'offrent à vous à seulement quelques heures de vol de l'Europe. Les Bahamas peuvent s'enorgueillir, à juste titre, de posséder quelques plages parmi les plus belles au monde,

longues franges de sable blanc ou rose, des fonds marins parmi les plus fascinants, une faune sous-marine exceptionnelle, et des infrastructures touristiques irréprochables. Ajoutez un peuple d'une gentillesse désarmante dont le sens de l'accueil ne se dément jamais, et vous comprendrez vite que la réputation des îles n'est pas usurpée

Hotelier Indonesia

South Pacific expert and veteran travel writer David Stanley knows the best way to experience Fiji, from making the most of one of the world's premiere diving spots to getting away from it all in lesser-known villages. David provides great trip ideas for a variety of travelers, such as Best of Fiji, Island-Hopper Special, and The Life Aquatic. Packed with information on swimming the reefs, taking day-long boat cruises, and sampling Fijian specialties, Moon Fiji gives travelers the tools they need to create a more personal and memorable experience.

Moon Fiji

Lonely Planet New England

India, bounded by the majestic Himalayan ranges in the North and edged by an endless stretch of golden

beaches, is the land of hoary tradition and cultural diverse. Vivid kaleidoscope of landscapes, glorious historical sites and royal cities, misty mountain hideaways, colourful people, rich civilizations and festivities craft India Incredible. The delightful South India where Indian heritage is more intact has much to offer to this ancient tradition. Humankind's medical odysseys in search of destinations of heavenly healing have a long history. In the modern age, man wanted to move around as he wanted to see places which had been alien to him hitherto. India is one of the prime places to fulfill the natural instinct of man to move from one place to another and get unperturbed. Now, he is exploring places not only for satiating his thirst for seeing newer lands alone but people travel across the globe in search of health destinations as well. With the most sought after professionals and excellent network of hospitals India is becoming the very hot medical tourism destination in the world. As in the magnificent past, nowadays India is extremely renowned for its coir, coconut, marine resources, tea and coffee. The financial institutions are playing an important role in the growth of the country. This great historical soil turns out to be an abode of investment. The prime place is specified to real estate. Real estate is akin to a gold mine. In times of misery, it will yield gold. And, we are equipped for you with some illuminations which enhance her significance in the world map. Anchor India depicts the most vibrant Indian scenario of medical tourism, banks, coir, coconut, coffee, tea, marine resources, space making and space makers along with amazing tourism maturity of the country.

France

This title was first published in 2000: This volume tells the fascinating story of the origins, development, growth and survival of a small country brewery in Hampshire. Employing and analyzing a wealth of original documentation, it examines the local environment both before establishment of the brewery and during the 150 years of its existence. While the performance of Gales Brewery is examined in the context of the British brewing industry as a whole, the thread of family involvement is woven throughout the volume. The contribution of contrasting individual entrepreneurs is examined in absorbing detail, from the half century of domination by George Alexander Gale to the subsequent century of contribution by the Bowyer family. Gales is

exceptional in being one of the very few family breweries to survive the mania of mergers and takeovers in the brewing industry. This very readable book will be of considerable interest to business, economic, family and local historians.

"The extent of detail given . . . is good not only for the novice cruiser finding their way around . . . but also for the veteran cruiser who wants to know the latest about the newest ships" (CyberCruises.com). "This is the book with which to gain a full and thorough understanding of the wonderful world of cruising. Repeat cruisers and novices alike will gain from the volume of featuresmenus, daily schedules, photos, as well as details on every cruise ship and port of call throughout the world. This should be the encyclopedia for any cruise aficionado" (World of Cruising). "People who've never cruised beforeor those who have, but find themselves

faced with a confusing onslaught of new ships need to know a great deal, and this book goes a long way in providing it" (Chicago Tribune). "Stern's Guide to the Cruise Vacation is one of the most comprehensive authorities and a must-have for both the novice and the seasoned cruiser" (Porthole Magazine).

The Jersey Shore

When the first span of the Chesapeake Bay Bridge opened July 30, 1952, it was a watershed moment in Maryland's history. The construction of the bridge took political courage, creative engineering, people working together, and a determination to overcome pettiness. In this detailed history, journalism professor David W. Guth traces the bridge's history from its planning to its post-construction effects on the region. From his boyhood memories of the bridge to the details of its construction, the book also tells the story of the people of Maryland often referred to as a confederacy of two shores. The recurring themes during the debate over building the first, the second, and now possibly a third bridge highlight issues confronting all Americans, including social and political equality, the price of unrestrained growth, the role government should play in our lives, and the importance of enlightened and courageous leadership. While there were unintended consequences that went along with building a bridge to cross the Chesapeake, it began the process of removing social, political, racial, cultural, and economic barriers.

Explorer's Guide Coastal Maine (1st Edition) (Explorer's Complete)

Only one thing could cause lawyer Nick Darcy to turn down parole from his twenty year sentence--revenge. Eve seduced Nick to murder her wealthy husband with blistering sex and promises of living in luxury on his dime. Then she ratted him out to the cops. Everyone thought the charred remains found in Eves kitchen after the fire were hers. Nick spent many years in prison tormented by the question: is Eve still alive? Now free and committed to hunting her down, Nick enlists his former law school classmate, now Assistant Deputy Attorney, Pat Dunlop for help. Nick seeks revenge: Dunlop wants a conviction for career advancement. While tracing Eves steps, it becomes obvious that someone else is following the same trail. Who could it be? Is Eve still alive? Where is she? Who will find her? Who will survive and who wont? Thus begins a tale of treachery, sex, murder, money and corruption.

Stern'S Guide to the Cruise Vacation: 2017 Edition

BEST OF AUDE 2017/2018 Petit Futé

Deux petites îles au nord-est du Venezuela Avec comme seule palette de couleurs, le blond du sable, le bleu de la mer, le blanc de l'écume et l'émeraude de la forêt, Trinidad n'a pas beaucoup changé depuis Christophe Colomb. Une terre vierge où les tortues géantes viennent pondre chaque année des dizaines de milliers d'oeufs depuis des temps immémoriaux Seulement 80 km séparent le nord et le sud de l'île de Trinidad. Pourtant quelle diversité ! Une jungle qui recouvre des vallées encaissées, des collines escarpées parsemées de rivières, des chutes d'eau par centaines, sans oublier les marais ou les forêts montagneuses, patrie du singe hurleur, du tatou, du papillon empereur, du perroquet et de l'orchidée. Un rêve de naturaliste ! Archétype de l'île au trésor, Tobago a quant à elle la réputation d'avoir inspiré Daniel Defoe lorsqu'il imagina un décor pour Robinson Crusoe. Il est vrai que l'île a tout pour s'y prêter : une forêt vierge derrière pas moins de 70 plages de sable fin, des lagons et des récifs de coraux aux eaux turquoise, une faune et une flore très riches, un passé peuplé d'amérindiens et de batailles navales, A cela s'ajoute un folklore ancestral issu des traditions africaines et entretenu par une population très largement créole. A n'en pas douter, Tobago sera bientôt une destination prisée des Caraïbes. Son identité atypique, Trinidad & Tobago la doit à un brassage unique entre les cultures amérindienne, africaine, européenne et indienne. Un héritage métissé très riche qui a forgé une identité propre à cette petite nation. Le carnaval, qui se déroule en février ou en mars au son des steel-bands et du calypso, est l'une de ses meilleures illustrations. Considéré à juste titre comme l'un des plus beaux du monde, c'est une féerie de couleurs, de musiques, de danses ; une immense fête.

India, bounded by the majestic Himalayan ranges in the North and edged by an endless stretch of golden beaches, is the land of hoary tradition and cultural diverse. Vivid kaleidoscope of landscapes, glorious historical sites and royal cities, misty mountain hideaways, colourful people, rich civilizations and festivities craft India Incredible. Recent years have witnessed the educational scene, especially the higher education sector in the State undergoing a sea change in respect of quality, diversity and accessibility in tune with the global trends. Kerala's surge in the educational front is to be viewed in the backdrop of the country's great legacy in education. India has been a major seat of learning for thousands of years. The country was home to Takshashila, the first university in the world and Aryabhama, the inventor of the digit Zero. In fact, education in Kerala has now become more value added and affordable, thanks to the pro-active initiatives of the State Government and active involvement of the private sector. Moreover, in the higher education market, Kerala has a significant edge in respect of cost which means that there would be growing influx of candidates into the state from outside the state for better and affordable professional education in the days to come. With the most sought after professionals and excellent network of institutes Kerala is becoming the very preferred educational destination in the world. And, we are equipped for you with some elucidations which step-up her significance in the educational map. In Campus Plus, we propose some valuable information along with a number of educational institutes in the State which will be useful for the students and parents in the higher education scenario.

BAHAMAS 2016/2017 Petit Futé

Utilizing written sources as well as nationally representative survey data, Daniel H. Krymkowski analyzes the extent and causes of African American underrepresentation in the cultural realms of golf, hiking, hunting and fishing, water sports, winter sports, classical music, painting and sculpture, ballet, and the theater. African American participation significantly lags behind that of non-Hispanic whites in all of these areas, and it is not due to an aversion to these types of activities. Rather, as Krymkowski shows, its primary sources are racial-ethnic socioeconomic differences, as well as historic and contemporary discrimination, both overt and subtle. These causes are rooted in the systemic racism that continues to plague the United States. The lack of opportunity to participate in such cultural forms deprives African Americans of aesthetic experiences that are central to the human condition, and it has implications for both health and the accumulation of cultural and social capital. Krymkowski also explores current efforts to increase African American representation in these areas of culture and discusses the benefits of doing so.

PLEASE NOTE: this ebook is NOT compatible with Amazon Kindle devices. Reeds Nautical Almanac is the indispensable

trusted annual compendium of navigational data for yachtsmen and motorboaters, and provides all the information required to navigate Atlantic coastal waters around the whole of the UK, Ireland, Channel Islands and the entire European coastline from the tip of Denmark right down to Gibraltar, Northern Morocco, the Azores and Madeira. The 2017 edition continues the Almanac's tradition of year on year improvement and meticulous presentation of all the data required for safe navigation. Now with an improved layout for easier reference and with over 45,000 annual changes, it is regarded as the bible of almanacs for anyone going to sea. The 2017 edition is updated throughout, containing over 45,000 changes, and incorporates the Reeds Marina Guide. Also available: free supplements of up-to-date navigation changes from January to June at: www.reedsnauticalalmanac.co.uk The digital version (at additional cost) includes: live weather from the Met Office for up to 72 hours ahead, a helpful route planner, a printing facility and much more. "There are some things I would not go to sea without - Reeds is one of them" Sir Chay Blyth "The big, bold, extravagantly comprehensive king of Almanacs" Yachting World "On every cruising boat you'll find one of these. Don't start your engines without it" Motor Boat and Yachting "The bible of almanacs" Classic Boat

The Gambia

Take to the open road with DK Eyewitness Travel Back Roads Australia and discover its hidden gems on 25 leisurely drives through the country's amazing landscape, from the Hunter Valley wineries to the Great Ocean Road. DK Eyewitness Travel Back Roads Australia includes practical information (including postcodes for use with GPS), rules of the road, driving tips, ideas for outdoor activities and where to spot Australia's unique wildlife. Winner of the Top Guidebook Series in the Wanderlust Reader Travel Awards 2017.

Bridging the Chesapeake

Lonely Planet E-Books sind besonders praktisch für unterwegs und sparen Gewicht im Reisegepäck! E-Book basiert auf: 2. deutsche Auflage 2017 Die neue deutsche Lonely Planet-Ausgabe „Die Welt“ zeigt die Schönheit und Vielfalt auf 7 Kontinenten und in 221 Ländern. Dazu 700 Farbfotographien, über 200 Karten und 1595 Highlights weltweit. Naturerlebnisse, Großstadt-Abenteuer und Kultur-Highlights - der Lonely Planet lädt zu den schönsten und interessantesten Plätzen rund um den Globus ein und macht jedes einzelne Land zu einem unvergesslichen Erlebnis. Das englischsprachige Original wurde 1:1 übernommen und bietet grundlegende Infos, damit Sie sich nicht nur auf das jeweilige Land vorbereiten, sondern sich dort auch gut zurecht finden können. Fünf außergewöhnliche Routen wurden ausgearbeitet: eine zweimonatige Odyssee durchs Mittelmeer mit Start in Venedig, dann Athen, Sizilien, Korsika, Nizza, Barcelona, Mallorca, Madrid und schließlich Gibraltar. Drei Monate sind für Natur, Kultur und Spaß in Asien vorgesehen, vier Monate für die Reiseroute von Kapstadt nach Kairo, sechs Monate dauert der legendäre Hippie-Trail von London nach Melbourne mit den Zwischenstationen Paris, Wien, Istanbul, Teheran, Delhi, Myanmar und Indonesien und zwei Monate sind für einen Roadtrip quer durch Amerika anvisiert. Wo auch immer die Reise beginnt: der Lonely Planet bringt sie sorgfältig, unabhängig und kritisch recherchiert einmal um die ganze Welt. Das Kartenmaterial sorgt für einen schnellen Überblick über die Kontinente und eine sichere Orientierung in den Ländern. Sie möchten die Welt kennenlernen? Ob Backpacker, Pauschalreisender oder 5-Sterne-Tourist - mit dem Lonely Planet-Reiseführer für alle Länder dieser Erde im Rucksack oder Handschuhfach sind Sie garantiert bestens gerüstet. Tipp: Erstellen Sie Ihren persönlichen Reiseplan durch Lesezeichen und Notizen und durchsuchen Sie das E-Book mit der praktischen Volltextsuche!

The Rough Guide to Fiji

From birth to death, we pass the same milestones, forks in the road, and dead ends. Each next step may lead us to disaster. Dennis Noel, a native of the dual-island nation of Trinidad and Tobago, shares lessons from his own journey in book one of his life story. His prime directive is to show the interconnectivity of everything in the universe, between universes, and between beings. His story is connected to others and their stories are all

part of a much bigger story. He reveals regrets many of us choose to ignore. Some of these lie buried deep in the recesses of our minds to be forgotten or diluted with enough justifications to dissolve any real ownership, but he seeks to move toward a more enlightened path. He also looks back at the many times in his life that help was given, sometimes in the form of angels disguised as strangers or via doors opened with whispers urging him closer to faith.
