BATMAN NEWS.de – Die Fansite des Dunklen Ritters • Seit 2000 31.10.2018 · Batman: The Animated Series is a show I watched as a kid growing up, from middle through high school. There are several things striking about the show. For one, whether you 're a kid or an adult, it was a series that would appeal to all age groups, where it 's not too dark to be too much for a child and yet not too kid friendly to turn off the adults.
