When a book traps your soul from beginning to end and beyond, keeping hold of a string to your heart even as you leave it behind, you know it deserves all the constellations in the night sky. Credit: Nicole What is a person, if not the marks they leave behind? They say if you look through a wooden ring on the 29th night of July, just after dark, you'd see a wraith wandering valleys and

Reading this book and listening now to The Untethered Soul as an audiobook also makes A New Earth by Eckhart Tolle more comprehensible (to me Eckhart Tolle is my spiritual teacher bar none but his language is tougher to understand sometimes). I hope this review will help those like me who have come full circle and finally understand what life is all about. What the next years will ...

There were pictures of different things that Jack felt represented each of the ladies he was bound to, like the Book that was in red, and the Fox mask that was orange. Before he could get too lost in his musings Jack heard a shouted scream of pleasure from within the house, and prompted him to enter and investigate.
