Children are going to love this book that reads like a song and looking at Poor Bruce the Moose's expressions as he discovers you can't always take someone at their word. The author did a great job with this book and it is one any child will treasure, Fun to read aloud and share too!Collection of the monthly climatological reports of the United States by state or region with monthly and annual national summaries.FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.Veteran crime writers Pacholik and Pruden are back with more true tales of tangled plots, foul deeds and conniving cons in the heart of the Canadian prairies. In their second collection of Saskatchewan true crime stories, Pacholik and Pruden uncover a number of little-known or long-forgotten tales from Saskatchewan's history, including chilling homicides, daring robberies, shocking frauds--and even a suicide bombing and an airplane hijacking. From the first execution to the never-before-revealed details of one of Canada's largest drug busts, from frozen gold to poisoned porridge,Paper Cows is guaranteed to surprise, shock, and fascinate.Travellers have trusted Karen Brown Guides for over 20 years for their warm, engaging, and up to date reviews of the finest inns and small hotels in Europe and North America.Table of contentsFIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.This is a collection of stories about the adventures of make-believe rodents. In one of the stories, "The Doomed Airship," the rodents rescue some animal sfrom the burning airship that crashed only blocks from Peter's parents' house. Would they be able to get out of the inferno before the rest of the airship expolde? Its for you to find out.FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.Melvin was a special dog. In fact, he was so special that his last name was spelled D-a-w-g, not D-o-g. Melvin was not like most dogs. Melvin had a sense of humor and a very vivid imagination. And, of course, Melvin could talk. In Melvin and His Amazing Magical Box, you will hear how Melvins mother, Gertrude, gives Melvin a special magical box. Every week, either Melvin or one of his friends brings something special to Sunday school in that box. And magically, no matter what is in that box, Gertrude is able to use that item to teach Melvin and his friends something important about God and how God wants us to live. This book tells twelve stories that teach kids of all ages important lessons about love, friendship, families, prayer, hope, and joy.How maverick companies have passed up the growth treadmill – and focused on greatness instead. It's an axiom of business that great companies grow their revenues and profits year after year. Yet quietly, under the radar, a small number of companies have rejected the pressure of endless growth to focus on more satisfying business goals. Goals like being great at what they do, creating a great place to work, providing great customer service, making great contributions to their communities, and finding great ways to lead their lives. In Small Giants, veteran journalist Bo Burlingham takes us deep inside fourteen remarkable companies that have chosen to march to their own drummer. They include Anchor Brewing, the original microbrewer; CitiStorage Inc., the premier independent records-storage business; Clif Bar & Co., maker of organic energy bars and other nutrition foods; Righteous Babe Records, the record company founded by singer-songwriter Ani DiFranco; Union Square Hospitality Group, the company of restaurateur Danny Meyer; and Zingerman's Community of Businesses, including the world-famous Zingerman's Deli of Ann Arbor. Burlingham shows how the leaders of these small giants recognized the full range of choices they had about the type of company they could create. And he shows how we can all benefit by questioning the usual definitions of business success. In his new afterward, Burlingham reflects on the similarities and learning lessons from the small giants he covers in the book. From the Hardcover edition.Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.Boys' Life is the official youth magazine for the Boy Scouts of America.
