01.06.2011 · Pond Babies is a book for very young children (2-5). It helps kids in their exploration of the natural world as they discover the creatures that live around the pond. Vibrant cut-paper collage in Cathryn Falwell's signature style, along with a humorous bit of self-discovery at the end, make this the perfect book to share with the very young. The simple, appealing story als

I also really enjoyed the almost tongue twister phrases like "flip, flap, fly" and the fact that each animal is partially shown before you turn the page hinting for the toddler to name it before the answer is given. Overall the book teaches animal names, colors, animal behaviors, rhyming, and animal habitats! I just love books that combine multiple levels of learning. Plus, the drawings ...
