The Ultimate Book of Gangster Movies

Telling the fascinating and brutal details of the day-to-day life of a New York mobster, this is Henry Hill's own story. He speaks of violence, wild spending sprees, his wife, and his code of honour. But to save his life, Hill turns into a Federal witness, and the mob is still hunting him down for revealing their involvement in hundreds of crimes.

Sinking in the Swamp

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (films not included). Pages: 82. Chapters: Saturday Night Fever, Goodfellas, Annie Hall, Dog Day Afternoon, The French Connection, Do the Right Thing, Little Fugitive, Once Upon a Time in America, Godzilla, The Warriors, Shortbus, Brooklyn's Finest, Hey Good Lookin', Notorious, Requiem for a Dream, Crooklyn, Two Lovers, Heaven Help Us, Half Nelson, Mo' Better Blues, Shutter, The Bounty Hunter, The Squid and the Whale, The Beast from 20,000 Fathoms, Then She Found Me, Dead Presidents, We Own the Night, Sophie's Choice, She's Gotta Have It, He Got Game, Mad Hot Ballroom, 91/2 Weeks, A Tree Grows in Brooklyn, Sunset Park, The Sentinel, Brooklyn Lobster, Who's the Man?, Vampire in Brooklyn, Clockers, Last Days of Coney Island, Straight Out of Brooklyn, Deuces Wild, Last Exit to Brooklyn, The Lords of Flatbush, Cowboy from Brooklyn, I Was a Teenage Zombie, Cadillac Man, Brooklyn Rules, Our Song, Arranged, Quiet City, The Cult of Sincerity, Smoke, Mutual Appreciation, Speedy, Little Odessa, Joe's Bed-Stuy Barbershop: We Cut Heads, Highball, Monogamy, Brooklyn Force, Brooklyn Matters, Over the Brooklyn Bridge. Excerpt: Goodfellas (stylized as GoodFellas) is a 1990 American crime film directed by Martin Scorsese. It is a film adaptation of the 1986 non-fiction book Wiseguy by Nicholas Pileggi, who co-wrote the screenplay with Scorsese. The film follows the rise and fall of Lucchese crime family associates Henry Hill and his friends over the course of thirty years from the 1950s to 1980. Scorsese originally intended to direct Goodfellas before The Last Temptation of Christ, but when funds materialized to make Last Temptation, he postponed what was then known as Wise Guy. The title of Pileggi's book had already been used for a TV series and for Brian De Palma's 1986 comedy Wise Guys, so Pileggi and Scorsese changed the name of their.

GoodFellas

Organized Crime: From the Mob to Transnational Organized Crime, Seventh Edition, provides readers with a clear understanding of organized crime, including its definition and causes, how it is categorized under the law, models to explain its persistence, and the criminal justice response to organized crime, including investigation, prosecution, defense, and sentencing. This book offers a comprehensive survey, including an extensive history of the Mafia in the United States; a legal analysis of the offenses that underlie organized crimes; specific attention to modern manifestations of organized crime activity, such as human smuggling, Internet crimes, and other transnational criminal operations; and the application of ethics to the study of organized crime. A new section has been added on threat assessment in organized crime. Chapters are enhanced by updated photos, tables, charts, and critical thinking exercises that help students apply concepts to actual organized crime cases. Every chapter includes two student-friendly special features: Organized Crime Biography and Organized Crime at the Movies. A glossary gives students a quick reference for looking up important definitions of organized crime-related terms, and a Timeline of Organized Crime in

the United States highlights important events in the history of organized crime.

The Elements of Expression

Thoroughly revised and updated for 2005! Includes a new chapter on the best special edition DVDs and a new chapter on finding hidden easter egg features.

Film – An International Bibliography

'At the age of twelve my ambition was to be a gangster. To me being a wiseguy was better than being president of the United States. To be a wiseguy was to own the world.' GoodFellas is Henry Hill's own story, telling the fascinating and sometimes brutal details of the day-to-day life of a working New York mobster - the violence, wild spending sprees, his wife, his mistress, his code of honour. From the small-time scamming of his early years, his first arrest at the age of sixteen and initiation into the dealings of his wiseguy friends and bosses, Henry Hill tells of the good times, dodgy dealings, indulgences, and the insularity of the mob-controlled neighbourhoods. But things start to go too far. To save his own life, Hill turns into a Federal witness, and the mob is to this day still hunting him down for revealing their involvement in hundreds of crimes including arson, extortion, hijacking, the six-million dollar Lufthansa heist (the most successful cash robbery in US history), and murder.

Plays, Movies, and Critics

Do you like your garlic Goodfellas thin? Have you ever been part of a carrotmob? Why are bartenders fat washing their spirits (and what does that even mean?) Eatymology demystifies the most fascinating new food words to emerge from today's professional kitchens, food science laboratories, pop culture, the Web, and more. With 100 definitions, illustrations, and fun food facts and statistics on everything from bistronomy to wine raves, Eatymology shows you why it's absolutely imperative to adopt a coffee name and what it means to be gastrosexual, and is the perfect gift for everyone from foodiots to brocavores.

The Hoffa Wars

Kommentierte Bibliografie. Sie gibt Wissenschaftlern, Studierenden und Journalisten zuverlässig Auskunft über rund 6000 internationale Veröffentlichungen zum Thema Film und Medien. Die vorgestellten Rubriken reichen von Nachschlagewerk über Filmgeschichte bis hin zu Fernsehen, Video, Multimedia.

The Everything Mafia Book

Nora Ephron famously claimed that she wrote about every thought that ever crossed her mind, from her divorce from Carl Bernstein (Heartburn) to the size of her breasts ("A Few Words About Breasts"). She also wrote screenplays for three of the most successful contemporary romantic comedies--When Harry Met Sally (1989), Sleepless in Seattle (1993) and You've Got Mail (1998). Often considered mere light-hearted romantic comedies, her screenwriting has not been the subject of serious study. This book offers a sustained critical analysis of her work and life and demonstrates that Ephron is no lightweight. The complexity of her work is explored through the context of her childhood in a deeply dysfunctional family of writers.

Casino

Soon after film came into existence, the term epic was used to describe productions that were lengthy, spectacular, live with action, and often filmed in exotic locales with large casts

and staggering budgets. The effort and extravagance needed to mount an epic film paid off handsomely at the box office, for the genre became an immediate favorite with audiences. Epic films survived the tribulations of two world wars and the Depression and have retained the basic characteristics of size and glamour for more than a hundred years. Length was, and still is, one of the traits of the epic, though monolithic three- to four-hour spectacles like *Gone with the Wind* (1939) and *Lawrence of Arabia* (1962) have been replaced today by such franchises as the *Harry Potter* films and the *Lord of the Rings* trilogy. Although the form has evolved during many decades of existence, its central elements have been retained, refined, and modernized to suit the tastes of every new generation. *The Encyclopedia of Epic Films* identifies, describes, and analyzes those films that meet the criteria of the epic—sweeping drama, panoramic landscapes, lengthy adventure sequences, and, in many cases, casts of thousands. This volume looks at the wide variety of epics produced over the last century—from the silent spectacles of D. W. Griffith and biblical melodramas of Cecil B. DeMille to the historical dramas of David Lean and rollercoaster thrillers of Steven Spielberg. Each entry contains: Major personnel behind the camera, including directors and screenwriters Cast and character listings Plot summary Analysis Academy Award wins and nominations DVD and Blu-ray availability Resources for further study This volume also includes appendixes of foreign epics, superhero spectacles, and epics produced for television, along with a list of all the directors in the book. Despite a lack of overall critical recognition and respect as a genre, the epic remains a favorite of audiences, and this book pays homage to a form of mass entertainment that continues to fill movie theaters. *The Encyclopedia of Epic Films* will be of interest to academics and scholars, as well as any fan of films made on a grand scale.

Historical Dictionary of Crime Films

The gangster movie is one of the most popular genres in film. From the Italian, Irish, and Russian "families" in America to similarly sinister groups in Europe, Japan, and beyond, the cinema has never shied away from portraying the evil exploits of these brutal outfits. In this highly entertaining and informative book, two accomplished and apropos authors put the genre in perspective like no other author or documentarian has done before. *The Ultimate Book of Gangster Movies* provides extensive reviews of the Top 100 gangster films of all time, including sidebars like "Reality Check," "Hit and Miss," "I Know That Guy," "Body Count," and other fun and informative features. Also included are over a dozen stand-alone chapters such as *Sleeper* "Hits," "Fugazi" Flops, *Guilty Pleasures*, *Lost Treasures*, Q&A Interviews with top actors and directors (including Chazz Palinteri, Michael Madsen, Joe Mantegna, and more), plus over 50 compelling photographs. Foreword by Joe Pistone, the FBI agent and mob infiltrator who wrote the bestselling book and acclaimed movie, *Donnie Brasco*.

Scorsese Up Close

The crime film genre consists of detective films, gangster films, suspense thrillers, film noir, and caper films and is produced throughout the world. Crime film was there at the birth of cinema, and it has accompanied cinema over more than a century of history, passing from silent films to talkies, from black-and-white to color. The genre includes such classics as *The Maltese Falcon*, *The Godfather*, *Gaslight*, *The French Connection*, and *Serpico*, as well as more recent successes like *Seven*, *Drive*, and *L.A. Confidential*. *The Historical Dictionary of Crime Films* covers the history of this genre through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on key films, directors, performers, and studios. This book is an excellent access point for students, researchers, and anyone wanting to know more about crime cinema.

Films Set in Brooklyn

Eatymology

America's Film Legacy

The inside scoop on how to write a screenplay with depth, dimension and substance.

Nora Ephron

*Martin Scorsese (b. 1942) has long been considered one of America's greatest cinematic storytellers. Over the last fifty years he has created some of the most iconic moments in American film, never afraid to confront controversial issues with passion. While few of his films are directly autobiographical, his upbringing in New York's Little Italy, the childhood asthma that kept him from playing sports, and his early desire to enter the priesthood all helped form his sensibilities and later shaped his distinct style. Community, religion, violence--these themes drive a Scorsese picture, and whether he examines the violence that bursts forth in the hand of Travis Bickle or the passion of Jesus Christ, Scorsese's mastery of the history, art, and craft of filmmaking is undeniable. This collection was originally edited by the late Peter Brunette in 1999 and is now revised and extensively updated by Robert Ribera. It traces Scorsese's evolution from the earliest days of the New American Cinema, his work with Roger Corman, and his days at New York University's film program to his efforts to preserve the legacy of cinema, his documentary work, and his recent string of successes. Among new movies discussed are *The Departed*, *Hugo*, and *The Wolf of Wall Street*, and the documentaries *No Direction Home* and *The Blues*. Scorsese stands out as a director, producer, scholar, preservationist, and icon. His work both behind the camera and in the service of its history are a cornerstone of American and world cinemas. In these interviews, Scorsese takes us from Elizabeth Street to the heights of Hollywood and all the journeys in between.*

The Encyclopedia of Epic Films

*America's Film Legacy is a guide to the most significant films ever made in the United States. Unlike opinionated "Top 100" and arbitrary "Best of" lists, these are the real thing: groundbreaking films that make up the backbone of American cinema. Some are well-known, such as *Citizen Kane*, *The Jazz Singer*, *All Quiet on the Western Front*, *The Birth of a Nation*, and *Boyz n the Hood*. Others are more obscure, such as *Blacksmith Scene*, *The Blue Bird*, *The Docks of New York*, *Star Theatre*, and *A Bronx Morning*. Daniel Eagan's beautifully written and authoritative book is for anyone who loves American movies and who wants to learn more about them.*

Martin Scorsese

*A provocative and entertaining look at the mafia, the media, and the (un)making of Italian Americans. As evidenced in countless films, novels, and television portrayals, the Mafia has maintained an enduring hold on the American cultural imagination--even as it continues to wrongly color our real-life perception of Italian Americans. In *An Offer We Can't Refuse*, George De Stefano takes a close look at the origins and prevalence of the Mafia mythos in America. Beginning with a consideration of Italian emigration in the early twentieth century and the fear and prejudice--among both Americans and Italians--that informed our earliest conception of what was at the time the largest immigrant group to enter the United States,*

De Stefano explores how these impressions laid the groundwork for the images so familiar to us today and uses them to illuminate and explore the variety and allure of Mafia stories--from Coppola's romanticized paeans to Scorsese's bloody realism to the bourgeois world of David Chase's Sopranos--while discussing the cultural richness often contained in these works. At the same time, he addresses the lingering power of the goodfella cliché and the lamentable extent to which it is embedded in our consciousness, making it all but impossible to green-light a project about the Italian American experience not set in gangland.

The Films of Martin Scorsese

The true story behind the Martin Scorsese film: A "riveting . . . account of how organized crime looted the casinos they controlled" (Kirkus Reviews). Focusing on Chicago bookie Frank "Lefty" Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times--bestselling author of the Mafia classic Wiseguy--basis for the film Goodfellas--Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the "Hole in the Wall Gang." For years, these gangsters kept a stranglehold on Sin City's brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal's disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner's wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia's longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. Casino is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this "fascinating true-crime Mob history" is a high-stakes page-turner (Booklist).

Martin Scorsese

Collected interviews with the man who has been called the greatest living American film director

Good Fellows

From The Big Sleep to Babette's Feast, from Lawrence of Arabia to Drugstore Cowboy, The Movie Guide offers the inside word on 3,500 of the best motion pictures ever made. James Monaco is the president and founder of BASELINE, the world's leading supplier of information to the film and television industries. Among his previous books are The Encyclopedia of Film, American Film Now, and How to Read a Film.

Wiseguy

Nicholas Pileggi's vivid, unvarnished, journalistic chronicle of the life of Henry Hill--the working-class Brooklyn kid who knew from age twelve that "to be a wiseguy was to own the world," who grew up to live the highs and lows of the mafia gangster's life--has been hailed as "the best book ever written on organized crime" (Cosmopolitan). This is the true-crime bestseller that was the basis for Martin Scorsese's film masterpiece GoodFellas, which brought to life the violence, the excess, the families, the wives and girlfriends, the drugs, the payoffs, the paybacks, the jail time, and the Feds...with Henry Hill's crackling narration drawn straight out of Wiseguy and overseeing all the unforgettable action. Read it and experience the secret life inside the mob--from one who's lived it.

Inside Story

An Offer We Can't Refuse

The Films of Martin Scorsese: Gangsters, Greed, and Guilt looks at the 24 features directed by Martin Scorsese in chronological order, providing an overview with some historical context, followed by a brief synopsis, and other details per film. An accessible analysis that dives deep into the themes, techniques, and innovations of each movie

The Movie Guide

Dietrich Bonhoeffer und Maria von Wedemeyer lernen sich kennen, als Adolf Hitler Deutschland und Europa in seinen Klauen hält. Ein Roman über den Kampf gegen das Böse und auch über den Kampf um die Liebe. Ein Liebesroman, zutiefst berührend und voller Hoffnung aus einer hoffnungslosen Zeit. Mit Auszügen aus den Originalbriefen von Dietrich an Maria.

Good Fellas

Academy Award-winning director Martin Scorsese is one of the most significant American filmmakers in the history of cinema. Although best known for his movies about gangsters and violence, such as Mean Streets, Goodfellas, Casino, and Taxi Driver, Scorsese has addressed a much wider range of themes and topics in the four decades of his career. In The Philosophy of Martin Scorsese, an impressive cast of contributors explores the complex themes and philosophical underpinnings of Martin Scorsese's films. The essays concerning Scorsese's films about crime and violence investigate the nature of friendship, the ethics of vigilantism, and the nature of unhappiness. The authors delve deeply into the minds of Scorsese's tortured characters and explore how the men and women he depicts grapple with moral codes and their emotions. Several of the essays explore specific themes in individual films. The authors describe how Scorsese addresses the nuances of social mores and values in The Age of Innocence, the nature of temptation and self-sacrifice in The Last Temptation of Christ and Bringing Out the Dead, and the complexities of innovation and ambition in The Aviator. Other chapters in the collection examine larger philosophical questions. In a world where everything can be interpreted as meaningful, Scorsese at times uses his films to teach audiences about the meaning in life beyond the everyday world depicted in the cinema. For example, his films touching on religious subjects, such as Kundun and The Last Temptation of Christ, allow the director to explore spiritualism and peaceful ways of responding to the chaos in the world. Filled with penetrating insights on Scorsese's body of work, The Philosophy of Martin Scorsese shows the director engaging with many of the most basic questions about our humanity and how we relate to one another in a complex world.

Wiseguy

More than ever in this completely updated edition, The Elements of Expression helps word users "light up the cosmos or the written page or the face across the table" as they seek the radiance of expressiveness—the vivid expression of thoughts, feelings, and observations. Nothing kills radiance like the murky, generic language dominating today's talk, airwaves, and

posts. It tugs at our every sentence, but using it to express anything beyond the ordinary is like flapping the tongue to escape gravity. The Elements of Expression offers an adventurous and inspiring flight into words that truly share what's percolating in our minds. Here writers, presenters, students, bloggers—even well intentioned "Mad Men"—will discover language to convey precise feelings, move audiences, delight and persuade. No snob or scold, the acclaimed word-maven Arthur Plotnik explores the full range of expressiveness, from playful "tough talk" to finely wrought literature, with hundreds of rousing examples. Confessing that we are all "like a squid in its ink" when first groping for luminous expression, he shines his amiable wit on the elements leading, ultimately, to language of "fissionable intensity."

Organized Crime

Der Mob von innen

"Millions of television and movie viewers have shown that Americans continue to be fascinated by the remarkable—and often sordid—world of the Mafia. This book takes you beyond fiction and tabloid accounts and relates the true-life accounts of all the major players in the American Mafia. From Al Capone to John Gotti, you will come away with a better understanding of America's most notorious crime families. This book features colorful information on: The Sicilian Mafia The "First Family" of the American Mafia The "real" Untouchables The mob and politicians The five New York families Packed full of up-to-date gangster information, this guide will satisfy even the most ardent true-crime enthusiasts."

Geliebter Dietrich

Donnie Brasco.

An eyewitness account of Donald Trump's clown car of lieutenants and lackeys who have polluted the corridors of power with their unprecedented awfulness. Two of Washington's most meddlesome reporters take readers on a deep dive into the murky underworld of President Trump's Washington, dishing the hilarious and frightening dirt on the charlatans, conspiracy theorists, ideologues, and run-of-the-mill con artists who have infected the highest echelons of American political power. For the past three years, reporting from the White House, the Trump hotel, and other dens of intrigue and influence, Lachlan Markay and Asawin Suebsaeng have revealed the sordid shenanigans of a rogue's gallery of Trumpworld incompetents and improbable A-listers -- earning them angry denunciations (or at least some vexed side-eye) from Trumpists such as the actor Jon Voight and Trump's former campaign czar and renowned obfuscator Corey Lewandowski as well as requisite threats of physical violence and ruin. Sinking in the Swamp will similarly pull no punches. Everyone from assorted Trump family members to Stephen Miller, Sean Hannity, and Diamond & Silk to Trumpworld's even more obscure accomplices will be plumbed, prodded, and exposed for their roles in the most shambolic moment in modern American political history. When they go low, Swin and Lachlan are right there with them, recorders running and notebooks at the ready. Sinking in the Swamp is an uncompromising account of the financial and moral degradation of our capital, told with righteous indignation and through the lens of key power players and foot soldiers whose own antics have often escaped the notice of the overworked press corps. As the 2020 election approaches, this page-turning, letting-it-all-hang-out narrative shows how the nation got to this nadir, tracing the story back to years before Trump's improbable run for the White House and cataloguing the stomach-turning moments that followed.

Reel Views 2

A companion to the study of the gangster film's international appeal spanning the Americas, Europe, and Asia A Companion to the Gangster Film presents a comprehensive overview of the newest scholarship on the contemporary gangster film genre as a global phenomenon. While gangster films are one of America's most popular genres, gangster movies appear in every film industry across the world. With contributions from an international panel of experts, A Companion to the Gangster Film explores the popularity of gangster films across three

major continents, the Americas, Europe, and Asia. The authors acknowledge the gangster genre's popularity and examine the reasons supporting its appeal to twenty-first century audiences across the globe. The book examines common themes across all three continents such as production histories and reception, gender race and sexuality, mafia mythologies, and politics. In addition, the companion clearly shows that no national cinema develops in isolation and that cinema is a truly global popular art form. This important guide to the gangster film genre: Reveals how the gangster film engages in complex and contradictory themes Examines the changing face of the gangster film in America Explores the ideas of gangsterism and migration in the Hispanic USA, Latin America and the Caribbean Discusses the wide variety of gangster types to appear in European cinema Contains a review of a wide-range of gangster films from the Americas, Europe, and Asia Written for academics and students of film, *A Companion to the Gangster Film* offers a scholarly and authoritative guide exploring the various aspects and international appeal of the gangster film genre.

Organized Crime in Our Times

This study of Martin Scorsese's works looks closely at the cinematic text of the films themselves. Unlike other books on Scorsese, which favor the discussion of broad themes and plot summary, Nyce also examines particular shots and sequences of shots. Scorsese *Up Close* mirrors the same scrutiny that the filmmaker brings to the shooting and editing process.

Martin Scorsese

The First Amendment to the U.S. Constitution guarantees a free press and free speech. In this fascinating book, award-winning author Susan Dudley Gold explores the issues involved when the state of New York attempted to override the free speech rights of criminals in an effort to compensate their victims. The case and its ramifications, described in a clear and entertaining narrative, demonstrate the sanctity of the First Amendment, even when protecting the rights of wrongdoers, and how government interference with free speech affects all citizens.

The Philosophy of Martin Scorsese

Nicholas Pileggi's vivid, unvarnished, journalistic chronicle of the life of Henry Hill—the working-class Brooklyn kid who knew from age twelve that “to be a wiseguy was to own the world,” who grew up to live the highs and lows of the mafia gangster's life—has been hailed as “the best book ever written on organized crime” (*Cosmopolitan*). This is the true-crime bestseller that was the basis for Martin Scorsese's film masterpiece *GoodFellas*, which brought to life the violence, the excess, the families, the wives and girlfriends, the drugs, the payoffs, the paybacks, the jail time, and the Feds...with Henry Hill's crackling narration drawn straight out of *Wiseguy* and overseeing all the unforgettable action. “Nonstopabsolutely engrossing” (*The New York Times Book Review*). Read it and experience the secret life inside the mob—from one who's lived it.

Movies in American History

The definitive portrait of the powerful, corruption-ridden Teamsters union and its legendary president, Jimmy Hoffa—organizer, gangster, convict, and conspirator—with a new afterword by the author James Riddle “Jimmy” Hoffa was one of the most fascinating and controversial figures in twentieth-century America. His remarkable journey from young union organizer to all-powerful head of the International Brotherhood of Teamsters is an epic tale worthy of a Hollywood blockbuster, jam-packed with intrigue, subterfuge, violence, and corruption. His successes were monumental, his fall truly spectacular, and his bizarre disappearance in the summer of 1975 remains one of the great mysteries in American history. Widely considered to be the definitive volume on the career and crimes of Jimmy Hoffa, *The Hoffa Wars*, by acclaimed investigative journalist Dan E. Moldea, is an eye-opening, extensively researched account of the steady rise and fall of an ingenious, ambitious man who was instrumental in transforming a small union of seventy-five thousand truckers into the most powerful labor brotherhood in world. Shocking disclosures in Moldea's no-holds-barred account include the devil's bargain that put Hoffa and his union in the pockets of the Mob, Hoffa's role in the joint CIA-Mafia plots to kill Cuban leader Fidel Castro, the deal Hoffa made with US president Richard Nixon that released the disgraced Teamster president from

prison eight years early, and the truth behind Hoffa's eventual disappearance and likely murder. But perhaps the most startling revelation of all concerns the integral part Jimmy Hoffa played, in concert with underworld kingpins Carlos Marcello and Santos Trafficante, in America's most terrible twentieth-century crime: the assassination of President John F. Kennedy.

Son of Sam Case: Simon & Schuster Inc. v. Members of United States Crime Victims Board

'One of the most rewarding pieces of hip-hop criticism ever written' Jeff Chang 'Brilliant' Giles Peterson 'Will Ashon's dazzling study gets to the heart of hip hop, pop culture and the history of contemporary America. Essential' Matt Thorne 'Each of these chambers contains wonders of history, destiny and mythology' Margo Jefferson Will Ashon tells, in 36 interlinked 'chambers', the story of Enter the Wu-Tang (36 Chambers) and how it changed the world. As unexpected and complex as the album itself, Chamber Music ranges from provocative essays to semi-comic skits, from deep scholarly analysis to satirical celebration, seeking to contextualise, reveal and honour this singularly composite work of art. From the FBI's war on drugs to the porn theatres of 42nd street, from the history of jazz to the future of politics, Chamber Music is an explosive and revelatory new way of writing about music and culture.
