Interior design is an art. It is not a fine art. It cannot luxuriate in its independence as can painting and sculpture, forming itself without regard to any but aesthetic demands. It is, instead, a hard-working art, with serious and sometimes mun-dane problems to solve. ... Interior design is also a craft. Technique and experience count a lot in this field, just as they do in the finest of

[PDF] The Interior Plan: Concepts and Exercises Now

Interior Design is made up of five separate but equally crucial elements: line, form, colour, pattern and texture. These five elements, and how closely or loosely they interact with one another, make up a design's overall composition. Composition, in turn, can be illustrated with seven basic design principles: unity, harmony, rhythm, emphasis, scale, balance and most importantly, function
