Hussein Department of Networks and Information Security Faculty of Information Technology / Al-Ahliyya Amman University

BJIT - bvicam.ac.in The Journal of Network and Computer Applications welcomes research contributions, surveys and notes in all areas relating to computer networks and applications thereof. The following list of sample-topics is by no means to be understood as restricting contributions to the topics mentioned: new ... Read more.

Call for Papers (April 2022) - IJISR International Journal International Journal of Innovation and Scientific Research (IJISR) is an open access, specialized, peer-reviewed, and interdisciplinary journal that focuses on research, development and application within the fields of innovation, engineering, science and technology. Published four times per year, it tries to give its contribution for enhancement of research studies.

[WORLD SCIENTIFIC International Conference on Computer International Journal of Advanced Computer Science and Applications publishes research, review and survey papers which offer a significant contribution to the computer science literature, and which are of interest to a wide audience. Coverage extends to all main-stream branches of computer science and related applications. Open Access Statement: This is an ...

Research & Reviews | Journal of Engineering and Technology International Journal of Computer Information Systems and Industrial Management Applications. ISSN 2150-7988. Home: Authors' Information: ...

IJCT - International Journal of Computer Techniques International Journal of Computer Applications Technology and Research | Read 698 articles with impact on ResearchGate, the professional network for scientists.

International Journal of Advanced Computer Technology International Journal of Computer Applications In wireless technologies many computer networks utilizes cables as a physical medium for communication and data transfer between the devices. This cable which is commonly used with LANs (Land Area Network) as shown in figure2. The type of cable chosen for a network is related to the network's topology, protocol, and ...

Internet of Things (IOT): Research Challenges and Future Investigations Information Technology Encyclopedia and Acronyms Cooperative Networking Global Learning in the 21st Century International Journal of Computer Mathematics Mobile Applications and Knowledge Advancements in E-Business AI-Powered IoT for COVID-19 The International Journal of Applied Engineering Education Handbook of ...

International Journal of Computers and Applications Taylor Research and Reviews: Journal of Engineering and Technology renders a global platform for important scientific discussions in all the associated areas of engineering and technologies. The journal considers articles in the form of a research article, review article, technical note, short commentary, conference proceedings etc.

International Journal of Computers and Their Applications About the Journal. This is an Open Access, Fully Refereed, and Peer Reviewed Journal. Notably, it is a Referred, Highly Indexed, International Online Journal with High Impact Factor. Being a Monthly Journal, 12 issues are published per year. This journal also acts as a host of International and National Conferences to publish their research work.

GiFi (Gigabit Fidelity) Technology - ijcaonline.org Head: +91-9999888671. Nikhil Gupta. search. ISSN: 2455-4030. Research Journal Impact Factor: RJIF 8. Indexed Journal. Refereed Journal. Peer Reviewed Journal. International Journal of Advanced Research and Development is indexed, refereed, peer reviewed, open access journal, publishing high quality papers on all aspects of education.

:: International Journal of Innovative Research in Computer IAES International Journal of Artificial Intelligence (IJ-AI) is now SJR Q2 : Dear Authors, Reviewers, Editors, Librarians and Readers, The IAES International Journal of Artificial Intelligence (IJ-AI) is indexed by Scopus/Scimagojr, with a SJR of 0.341 (2020), Q2 under Electrical and Electronic Engineering, and Information Systems and Management categories.

International journal of computers and technology 18.08.2021 · Computer Systems Science & Engineering Handbook of Research on Blockchain Technology International Journal of Strategic Information Technology and Applications (Vol. 2, No. 1) Management Wisdom From the New York Yankees' Dynasty The Beggar Maid Information and technology that supports its collection, communication and analysis is a core concept of

IJCOT - International Journal of Computer & Organization 02.03.2022 · International Journal of Advanced Computer Technology (IJACT) ISSN -

2319-7900 is a leading international online journal for publication of new ideas. It's a peer-reviewed, open access scholarly journal that publishes research works and review articles in all research domains (Engineering and Computer Technology). This is an open access journal which ...

International Journal Of Computers And Applications 08.12.2018 · 20. International Journal of Recent Technology and Engineering (IJRTE)  
21. International Journal of Computational Engineering Research. 22. International Journal of Computer and Information Technology (IJCIT)  
23. International Journal of Computer Applications. 24. International Journal of Computer Applications in Engineering Sciences ...

International Journal of Emerging Trends & Technology in International Journal of Engineering Research and Applications . Subject Category: Engineering and Technology: 26. H Index. Publication Frequency: 12 issue per year; Language: English; Publisher: IJERA Publication: ISSN: 2248-9622: Publication type: Open Access Journal : Review Type: Blind Peer Review Process: Coverage: 2011-ongoing: Journal Impact factor ...

IJN&A, International Journal of Networks and Applications The scientific journal International Journal of Computers and Applications is included in the Scopus database. Based on 2020, SJR is 0.19. Publisher country is . The main subject areas of published articles are Hardware and Architecture, Computer Science Applications, Software, Computer Graphics and Computer-Aided Design.

International Journal of Scientific Research in Computer International journal of computers and technology (E-ISSN:2277-3061) is a journal published by Khalsa Publications, Punjab, India.. IJCT start published in December 2011, which is Volume 1, Issue. 1, the Year 2011. The mission of IJCT is to share, develop, and facilitate the output of research paper about computer science, software engineering, information system, ...

IJCTST | IF 5.21 | Best Journal|International Journal of Academy & Industry Research Collaboration Center (AIRCC). Academy & Industry Research Collaboration Center (AIRCC) is a non-profit organization that promotes science & engineering research worldwide without any discrimination. It acts as a bridge between young and experienced professionals through series of activities such as workshops, conferences and ...

WELCOME TO International Journal of Innovation Science and The International Journal of Computers and Their Applications provides a forum for state-of-the-art developments and research in the theory and design of computers and current innovative activities in the applications of computers.

International Journal of Advanced Research and Development JOURNAL OF COMPUTER AND MATHEMATICAL SCIENCES is an international journal which provides a platform to scientist and researchers all over the world for the dissemination of knowledge in computer science , mathematical sciences and related fields. Original research papers and review articles are invited for publication in the field of Computer science, ...

Journal of Network and Computer Applications International Journal of Computer Applications Technology and Research (IJCATR) call for research paper for Volume 9 Issue 12 December 2020 Edition. Submit manuscript to editor.ijcatr@gmail.com or editor@ijcat.com. Last date of manuscript submission is December 10, 2020. Read more Submit Paper For Review IJCATR

International Journal of Computer Engineering in Research Provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Computer Science and Information Technology Engineering. Aims to promote state-of-the-art research in the area of Computer Science and Information Technology field. Journal serves to facilitate the exchange of information between ...

IJANA – International Journal of Advanced Networking and International Journal of Computer Science and Mobile Computing (IJCSMC) is a scholarly online, open access, peer-reviewed, interdisciplinary, monthly, and fully refereed international journal focusing on theories, methods and applications in computer science and relevant fields. It is an international scientific journal that established in the year 2012 with the aim to ...

International Journal Of Computers And Applications Call For Research Papers. IJSTR welcomes the authors to submit their journals in aims to exchange and spread the latest researches, innovations and extended applications via online and printed monthly publications. All the submitted journals are reviewed by full double - blind international refereeing process.

Research & Reviews | Computer Science Journals | High International Journal of Emerging Trends & Technology in Computer Science (IJETTCS) is an online & print Journal in English published bimonthly for scientists, Engineers and Research Scholars involved in computer science, Information Technology and its applications to publish high quality and refereed papers. Papers reporting original research and innovative ...

International Journal of Engineering Research and Applications 01.06.2015 · International Journal of Computer Engineering and Information Technology (IJCEIT) , abbreviated key title: Int. j. comput. eng. inf. technol / ISSN: 2412-8856 (Online) has been established since 2015. IJCEIT is a scholarly online, open access, peer-reviewed, interdisciplinary, monthly, and fully refereed journal focusing on theories, methods and ...

Graph Theory and its Applications in Computer Science and International Journal of Engineering and Management Research Page Number: 317-319 . Graph Theory and its Applications in Computer Science and Engineering. M S Vinutha. 1, Arathi P. 2 1,2. Assistant Professor, Department of CSE, Dr. Ambedkar Institute of Technology, Banagalore, INDIA ABSTRACT Mathematics plays an important role in various fields.

Call for Research Papers - International Journal of Advantages of Publishing with International Journal of Innovation Science and Research (ISSN: 2319-9369) All articles published are freely downloadable from our web portal. Open Access Journal Database for High visibility and promotion of your articles. Published articles are available permanently in full text PDF.

International Journals | International Journals with The International Journal of Innovative Research in Computer and Communication Engineering is a High Impact Factor, Open Access, International, Peer-Reviewed, Monthly journal that publishes original research articles in the fields of Computer Science, Information Technology and Communication Engineering. It has proficient academicians and researchers ...
