The Bible says that "the just shall live by faith." Yet too many professional religionists fail to cross over from mere intellectual ascent to a life of total surrender to God and his will. In his exposition of Hebrews 11, Miciano explores the tales of men and women in the Bible who have lived lives of exceptional faith. Each story compels us to rethink what we know about God's ways and stretches our understanding of what it means to live according to what we believe. The Faith Factor offers fresh insight on how people today can enrich their spiritual lives by applying the timeless truths of Scripture to everyday life in the modern world.

Warren explains how the connection between trust and faith can re-ignite the fire in one's spirit; and brings order, joy, and peace by following Scripture-based principles.

In every period of human history, God has scouted for young people of specific character traits whom he will work, train, and discipline to execute specific leadership functions under His supervision. He will patiently check in obscure villages and homes until He finds you and gets your response to be trained in the school of hard knocks. Building on the stories of great leaders in the Bible, From Ordinary People to Great Leaders is designed to assist you in developing the mindset to grow from ordinary to great. God took Moses from Egyptian palace and sent him to sheep school in Midian; David went from sheep school to Saul's palace. God guided them in their training and preparation, and when He saw that they were ready, he placed them in leadership positions to develop a fledgling organization into a great nation. As someone who is a potential or present leader, you must focus on what you and your
organization can be the best at doing and focus on what you must do to accomplish your goals. The God-given wisdom of these leaders can help you get there. This guide seeks to help you develop your leadership skills and grow yourself and your organization by using biblical models for contemporary leadership issues.

The Leadership Journey offers principles that will help create true men and women of God, regardless of their field or calling.

Developing and fine-tuning a thriving men’s ministry takes perseverance, but it will pay huge dividends in the health of your church and its families. Effective Men’s Ministry gives you the tools you need to start smart and stay strong. Here is information you can really use—right away and in years to come. Created by the National Coalition of Men’s Ministries, this comprehensive handbook takes you through the five stages of building a powerful, life-changing men’s ministry in your church. Prominent pastors and men’s leaders such as Pat Morley, Ed Cole, Haman Cross, Phil Downer, Steven Farrar, Jack Hayford, and Willie Richardson share their knowledge and experience. Here is your indispensable toolkit for bringing men together and helping them bond in purpose, heart, and spirit. Includes worksheets, exercises, and sidebars. Some of the twenty-six topics covered are: Getting Things Right—the First Time The Pastor’s Role Building a Leadership Team Upside-Down Leadership Getting Men to Jesus Teaching Men to Pray Encouraging Vital Relationships Working with Men Who Fail Men of All Colors: Unity in Diversity Becoming Irresistible Husbands Fathers and Sons Successful Men’s Retreats

Join Childress as he discovers forbidden cities in the Empty Quarter of Arabia, 'Atlantean' ruins in Egypt and the Kalahari desert; a mysterious, ancient empire in the Sahara; and more. This is an extraordinary life on the road: across war torn countries Childress searches for King Solomon’s Mines, living dinosaurs, the Ark of the Covenant and the solutions to the fantastic mysteries of the past.

The Lion Handbook to the Bible was first published in 1973 and has been continuously in print ever since, selling over 3 million copies worldwide. This fascinating guide to the book that has intrigued and inspired millions of people for thousands of years comprises an authoritative yet accessible commentary on the Bible, book by book and chapter by chapter, alongside over 100 articles by leading scholars around the world on areas of special interest. Beautifully illustrated throughout with more than 700 photographs, maps and illustrations, the Handbook is a pleasure to browse and read, and a mine of information and insight about this crucially important book. This new fifth edition has a total refresh of over 700 photographs, maps, and illustrations.

We are surrounded by the temptation to glorify ourselves. We post carefully curated selfies on Instagram, chase money and
pleasure, and live the "image is everything" lifestyle. We've created a culture of envy, emptiness, and depression. Even the church has bought into worldly values of wealth and status. God put us on this earth not to seek our own glory but to shine the light of his glory on a dying world. Through the life of Moses, pastor and author Michael Youssef shows us how to store up treasure that lasts by living for God's glory. Moses turned his back on privilege, pleasure, and power to invest in treasure that lasts--the treasure of God's glory. His goal must be our goal as well. Experience the rich life God intended for you. If you're not sure you've truly surrendered your whole life to God, let Treasure That Lasts be the flame that lights the way to reliance on him. This book includes a chapter-by-chapter guide for group discussion or individual study.

"During her 70-year ministry the author spoke, through her pen, to young people, to church members, and to the world in the The Youth's Instructor, the Review and Herald, and The Signs of the Times. Selections for this book have been drawn from these three periodicals as well as from her books and previously unpublished manuscripts and letters"--Foreword.

Two ancient cultures meet. Two nations clash. The recent updating of Egyptian chronology puts a new slant on the history of Egypt and Israel. Moses and Hatshipsut are raised as brother and sister and then grow up to become leaders of these two nations. From palace privilege to desert deprivation, the character of Moses is forged. While Moses, the Prince of Egypt, turns his back on the throne, his sister, “Hat” dreams of becoming Pharaoh. How this unique woman overcomes personal tragedy and loss to rule successfully for twenty years the most advanced civilization of her time is a fascinating story. Fast forward to the early 20th century. Imagine the excitement when out of the murky depths of King Tot's tomb emerged the magnificent golden throne of that short lived ruler, a descendant of Hatshepsut. The Prophet and the Pharaoh takes us back to 1446 B.C. with the account of Moses emerging from the spiritual darkness of polytheistic Egypt to reveal to the world a gleam of goldThe Golden Rule, embedded in the Ten Commandments.

With years of research and study under his belt, author John A. Pinkston tackles the daunting task of describing the lineage, and consequently, the current whereabouts of the ten tribes of Israel. Through Pinkston's extensive study and research, readers will find themselves tracking the modern-day empires through the ages, one Israelite king at a time. Our Lost National Identity: Tracing the Lineage of Israel's Lost Ten Tribes, cites the actions of the tribes that separated them from God and how alliances, enemies and wars inevitably spread the chosen people of God across the globe. By identifying characteristics of each tribe, referencing works of antiquity, and the unfulfilled prophecies of the Bible, Pinkston approaches a widely discussed subject from the beginning of it with Abraham and the unconditional promises, and walks readers down an intricate path of discovery to find Our Lost National Identity.
The pastor’s life never goes as one would imagine it. The highs are much greater and heartfelt than you anticipate; the anxiety and stress are deeper and last longer than you expect. Add to this mix the possibility of working a full time job in addition to pastoring, and you can see why a pastor’s time is in such great demand. What if you could hold in your hand a resource that would jump start your sermon writing process, allowing you to save time and still deliver a trustworthy sermon? Dr. Paul Cannings, once a young pastor himself, remembers the days of struggling to balance it all. Now he has written a helpful guidebook that provides everything a pastor or lay teacher needs to write an effective, moving, and biblically sound sermon for each of the fifty-two weeks in the year. In Big Idea Sermons, Dr. Cannings clearly lays out the key components of a good sermon by including sermon outlines, series, background information, illustrations, holiday messages for Thanksgiving, Christmas, Mother's and Father's Day, and more. He also includes references to the Hebrew and Greek texts for further validation. By working with the original languages, Dr. Cannings proclaims the gospel in a clear, engaging, and trustworthy manner. Pastors, preachers, lay teachers, and anyone in position to preach a sermon or teach a lesson: Big Idea Sermons is here to help. All that you need to write a good sermon is included. Be sure to read, meditate, and pray so you may use this resource wisely and effectively.

The Fortress Commentary on the Old Testament and Apocrypha presents a balanced synthesis of current scholarship, enabling readers to interpret Scripture for a complex and pluralistic world. The contributors bring a rich diversity of perspectives to the task of connecting solid historical critical analysis of the Scripture with sensitivity to theological, cultural, and interpretive issues. The volume includes introductory articles, section introductions, and individual book articles that explore key sense units through three lenses: The Text in Its Ancient Context; The Text in the Interpretive Tradition; and The Text in Contemporary Discussion.

The biblical narrative of the Exodus and of Moses, the reluctant prophet who was chosen to lead it, deals with the critical formative event in the history of ancient Israel. However, the narrative also contains a number of enigmatic passages as well as some seemingly unrelated episodes. In this book, the author undertakes to unravel the enigmas and show how the various disparate elements contribute to the narrative. The focus in The Exodus and the Reluctant Prophet is on what the biblical text is telling us, explicitly as well as implicitly, about the world in which the ancient Israelites became transformed from a mass of ethnically related people into a nation bound by a divine covenant, and the extraordinary role that the Exodus played in the process. In the effort to comprehend and explain the highly complex biblical text, the author has consulted a wide range of commentaries and studies written over a period of some two millennia that have sought to understand the biblical texts from a wide variety of perspectives, many of which are presented for the reader's consideration, including many sources inaccessible to those without a working knowledge of Hebrew.
Israel is not just another nation. The history of Israel is not merely a collection of coincidences. God is not finished with the Jews. This tiny nation that is perpetually ensnared in conflict and persecution still holds a key place in God's purpose for mankind and has not been replaced by the Christian Church. The Tapestry of Israel explores a number of trends or “threads” that make up the history of this ancient nation. These threads prove Israel's modern relevance and demand a response to the Jews' increasing need for support as the pressure mounts to exchange the Holy Land for the illusion of peace. Christians will learn that the Jews are still God's chosen people, even today, and that heavenly intervention and miracles are common occurrences in modern-day Israel. Corrupt theology and deceptive theories are exposed! Discover how Satan seeks to rob Israel of her covenant with God and bring the destruction of Israel through anti-Zionism and anti-Semitism. Learn what the Christian Church’s responsibility is in its support of Israel and what the supportive Christian should pray on behalf of Israel. Please Visit: www.thetapestryofisrael.com

Reared in the ways of the God of the heavens during his early childhood, Moses, who was drawn from the water, was moved from his humble abode to one of privilege with every amenity. Temptation abounded, but the teaching of his mother in the way of truth lingered in his mind, even as he was tutored in the schools of the pharaoh. With his leadership and military training behind him, yet convinced of his sacred duty, he ached to see his people suffer. Thus, Moses committed the same grave error of many of his ancestors: taking matters into his own hands. An Egyptian oppressor died because of Moses’ misguided fervor, which sent him fleeing as a fugitive. In the mountains of Moses’ refuge, God broke down the strongholds of Egyptian influence. As forty years of Moses’ life passed in his wilderness hideaway, God instilled in His servant lessons of faith, patience, humility, and reverence. When Moses was humbled, God met him at the burning bush. He trembled at the thought of returning to the land of his birth to face a brotherly foe. Only then did God lay out His detailed instruction to rescue the Hebrew people. Together Moses and his brother Aaron took the message of God to the earthly king: “Let My people go.” The pharaoh met the brothers’ approach with wrath: “I know not Jehovah, neither will I let Israel go,” boasting that their God had no power to deliver them. Hence, a series of plagues bombarded the people of the Nile. Just before the tenth and final plague, Moses instructed God’s chosen with their course of action. They needed to submit to His command through obedience to heavenly direction just as we need to be surrendered so that we can be saved. When the cry of bereavement rose from the land of sun gods and papyrus reeds, the Hebrews were ready to go. The pharaoh once denounced the sovereign God: “Who is Jehovah, that I should obey His voice to let Israel go?” cried out as he hovered over the limp body of his firstborn, “Rise up, and get you forth from among my people. . . . Also take your flocks and herds . . . and be gone.” Thus, the descendents of Abraham, Isaac, and Jacob left the land of their bondage. When the grieving king learned that the whole enslaved nation had marched to the Red Sea instead of the desert, his ire burned within him. When the pursuing army approached, the God Almighty enveloped the opposition in a foggy cloud, blinding their view. As the darkness deepened over the Egyptians predators, confusion and dismay reigned. To the Hebrew people, however, that same cloud
illuminated the encampment with the light of day, and hope resurged in their hearts. When Moses lifted his rod over the swelling waters, they parted, creating a walled pathway through the sea. God’s pillar lighted their way from shore to shore in that night of flight. The Psalmist penned of the following morning when the last Israelite footstep was safely on the eastern shore: “The clouds poured out water: the skies sent out a sound: thine arrows also went abroad. The voice of thy thunder was in the heaven: the lightnings lightened the world: the earth trembled and shook” (Psalm 77:17–18). Thus, the Egyptians pursuers followed their firstborn into death. In only one night, God’s people experienced complete deliverance—men, women, children, and even their livestock. God has a plan of deliverance for those who have chosen Him as their Savior, Lord, and Friend that is greater than that of the miracle at the Red Sea. We may lay claim to the sacrifice of our Redeemer, and keep our eyes ever focused on Him rather than what sin may offer us for a season.

Ask. Seek. Knock. Receive. Find. Open. "For everyone who asks, receives. Everyone who seeks, finds. And to everyone who knocks, the door will be opened." --Matthew 7:8 Explore the Scriptures with almost 50 of today’s top evangelical scholars, including Daniel Block, Barry Beitzel, Tremper Longman, John N. Oswalt, Grant R. Osborne, Norman Ericson, and many more. Every feature in the NLT Study Bible has been created to do more than just impart information. Ask questions, and the NLT Study Bible gives you both the words and the world of the Bible. Seek deeper understanding, and find the meaning and significance of Scripture, not just facts. Knock on the door of God's Word, and see what doors are opened to you. The New Living Translation makes the message clear. The features of the NLT Study Bible bring the world of the Bible to life so that the meaning and significance of its message shine through. "I enthusiastically recommend the NLT Study Bible for all of my students and to family and friends.” --Dr. William H. Marty, ThD, Professor of Bible, Moody Bible Institute Features from nearly 50 of today’s most trusted Bible teachers include: 300+ theme articles identify and explore the major topics and ideas of the Bible. 25,000+ study and textual notes provide background and deeper explanations of words, phrases, verses, and sections. 85 introductory articles set the stage for the Old and New Testament and each major Bible section, book, and time period, including the intertestamental period, the time after the apostles, and a harmony of the Gospels. Each book introduction covers background materials including authorship, setting, meaning and message of the book, an outline, recommended resources and more. 220+ charts, illustrations, maps, and timelines organize and illuminate important information. 200 Greek and Hebrew word studies trace the use of important words throughout the Bible. 90+ profiles paint portraits of major figures in the Bible--good and bad. 50,000+ cross-references connect related verses. Words of Christ in red.

This book explores Bible reliability in terms of Egyptian history. It also includes the value of the Law provided from God through Moses in terms of environmental and medical science. In the past, critics have claimed that the Bible is inaccurate in matching
Egyptian history. Now, there is strong evidence the Egyptian history timeline needs to be revised. With this revised dating of the Egyptian 12th Dynasty, Bible information matches well with Egyptian history from Abraham to Moses. The Law matches well with modern medical science for control of infectious diseases. The Law also gives instructions for dealing with the management of mildew that too matches modern technology. The instructions for disposal of human waste match recommendations from modern science for primitive conditions.

The devotions in this book will equip you, encourage you, and empower you to face the challenges that come with the hustle and bustle of life. As you spend quiet moments with God and meditate on his Word, you will develop a progressive and meaningful relationship with him and grow in the grace and the knowledge of Christ (2 Peter 3:18). Having the assurance that God is always on your side and that He will never leave you nor forsake you (Deuteronomy 31:6). They will give you the boldness and courage to witness as a disciple of Christ.

When powerful extraterrestrial beings establish life on Zera2, little do they know that they’re guiding the extraordinary birth of the Jewish nation. Journey through the ages of a nation destined to outlive all others, as advanced technology interfaces with the distant past in this biblical fantasy. MM26, an extraterrestrial supreme being, analogous to God, forges the path taken by the Sons of Jacob to become an immortal nation—one that plays an integral role in the development of civilization on Zera2. Time Before the Past opens the reader’s mind to unorthodox and fantastic interpretations of the Pentateuch and unproven explanations of some of the world’s mysteries. No matter how you spin it, the path and the destination remain the same. If we are created in His image, maybe the divine powers reside within the collective “us.”

Before sin entered this world, Adam and Eve held intimate communion with God. Since sin separated man from God, heaven’s plan of salvation was provided to reunite the family of heaven and earth. God's plan provided that man could learn how to walk with Him as Enoch did before he was translated. Christ's invitation to walking with God is given to us, "Enter ye in at the straight gate: for wide is the gate, and broad is the way that leadeth to destruction, and many there be which go in thereat: because straight is the gate and narrow is the way, which leadeth into life, and few there be that find it." So the pathway with God is narrow, straight or strict, and few there be that find it, and fewer remain in this strict and narrow way. This book gives the experiences of some of the people of the Bible who have followed in His footsteps such as Abraham, Enoch, Job, Moses, Elijah, Daniel, Peter, John, and Paul.

Examining the philosophical, theological, and political teachings of the Tractatus theologico-politicus, this book proposes that Benedict Spinoza fashions a theocratic or “theologico-political” solution to the “natural problem” of human selfishness or unsociability. Spinoza’s theocratic solution makes him a “new Moses.”

It can seem as though today's culture encourages weakness, not strength. And this attitude has crept into the church: Don't take a strong position of faith. Don't take a strong view of evangelism. Don't maintain strong moral values. Yet God's people are called to be soldiers, and to fight for His cause and kingdom. Based on the book of Joshua, Be Strong is an inspiring guide to pursuing a victorious life. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, Be Strong has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares the need for strong, dedicated believers. You'll discover how to dodge defeat, pursue your purpose, and take hold of all God has in store for you.

With this final installation in this six-volume set, Dr. Wiersbe has covered the entire Bible!

Education is Ellen G. White’s classic work on the principles of Christian education. Ellen G. White (1827-1915) played a fundamental role in defining the rationale, philosophy, and objectives of Seventh-day Adventist education.

The Lion Handbook to the Bible was first published in 1973 and has been continuously in print ever since, selling over 3 million copies worldwide. This fascinating guide to the book that has intrigued and inspired millions of people for thousands of years comprises an authoritative yet accessible commentary on the Bible, book by book and chapter by chapter, alongside over 100 articles by leading scholars around the world on areas of special interest. Beautifully illustrated throughout with more than 600 photographs, maps and illustrations, the Handbook is a pleasure to browse and read, and a mine of information and insight about
this crucially important book. For this new edition, a number of articles have been revised in the light of recent discoveries and developments in scholarship. New photographs have also been added where available.

This concise commentary on the Pentateuch, excerpted from the Fortress Commentary on the Bible: The Old Testament and Apocrypha, engages readers in the work of biblical interpretation. Contributors from a rich diversity of perspectives connect historical-critical analysis with sensitivity to current theological, cultural, and interpretive issues. Introductory articles describe the challenges of reading the Old Testament in ancient and contemporary contexts, relating the biblical theme of “the people of God” to our complex, multicultural world, and reading the Old Testament as Christian Scripture, followed by a survey of “Themes and Perspectives in the Torah: Creation, Kinship, and Covenant.” Each chapter (Genesis through Deuteronomy) includes an introduction and commentary on the text through the lenses of three critical questions: The Text in Its Ancient Context. What did the text probably mean in its original historical and cultural context? The Text in the Interpretive Tradition. How have centuries of reading and interpreting shaped our understanding of the text? The Text in Contemporary Discussion. What are the unique challenges and interpretive questions that arise for readers and hearers of the text today? The Pentateuch introduces fresh perspectives and draws students, as well as preachers and interested readers, into the challenging work of interpretation.

Finally Learn the Shocking Truth about God's Plan for Your Financial Freedom! God’s will for you is financial freedom. Yet, a large percentage of Christians are barely making it from one week to the next. Why does it seem so hard to ever get ahead in life and why are so many believers living under a mountain of debt? Find out about one young couple's journey from poverty and failure to prosperity and success. Learn why they were continually giving offerings, but only found themselves deeper in debt. They lived in a run-down rental house and had to search furniture just to find change to go out to eat at McDonald's. Then read about the one prayer that changed their lives forever. Soon their debts were paid off. They moved into a home with 18.5 acres which they paid off in less than a year. They gave more in offerings in one year's time than they used to earn combined in 3 years before. Finding out what they prayed and how you can pray the same prayer will change your life forever. You've been taught God wants to prosper you, but you've never been given a step-by-step roadmap of how to get there. You've been told what God's will is, but you've never been taught HOW to accomplish it. In this step-by-step practical study, Brother Dean teaches you how to receive and walk in the blessings God has provided for you: - How to Walk in Financial Blessings Every Day of Your Life - Why Giving and Receiving Doesn’t Work for Most Believers - How the Cross of Christ Sets You Free from Poverty and Lack - 7 Simple Steps To Getting Out of Debt - How God Protects You from Danger and Disaster in your Life - The 1 Prayer You should Begin Praying Immediately - What Solomon did to Become the Wealthiest Person on Earth - 1 Habit which Guarantees Success in Every Area of Life
In April, 2008, an international colloquium was held at the University of Heidelberg—the fourth convocation of a group of scholars (with some rotating members) who gathered to discuss the status of Judah and the Judeans in the exilic and postexilic periods. The goal of this gathering was specifically to address the question of national identity in the period when many now believe this very issue was in significant foment and development, the era of the Persian/Achaemenid domination of the ancient Near East. This volume contains most of the papers delivered at the Heidelberg conference, considering the matter under two rubrics: (1) the biblical evidence (and the diversity of data from the Bible); and (2) the cultural, historical, social, and environmental factors affecting the formation of national identity. Contributors: K. Schmid, J. Schaper, A. C. Hagedorn, C. Nihan, J. Middlemas, D. Rom-Shiloni, J. Wöhrle, Y. Dor, K. Southwood, D. N. Fulton, P.-A. Beaulieu, L. E. Pearce, D. Redford, A. Lemaire, J. F. Quack, B. Becking, R. G. Kratz, O. Tal, J. Blenkinsopp, R. Albertz, J. L. Wright, D. S. Vanderhooft, M. Oeming, and A. Kloner. Earlier volumes in the series of conferences are: Judah and the Judeans in the Neo-Babylonian Period, Judah and the Judeans in the Persian Period, and Judah and the Judeans in the in the Fourth Century B.C.E.

Ellen Muehlberger explores the diverse and inventive ideas Christians held about angels in late antiquity. During the fourth and fifth centuries, Christians began experimenting with new modes of piety, adapting longstanding forms of public authority to Christian leadership and advancing novel ways of cultivating body and mind to further the progress of individual Christians. Muehlberger argues that in practicing these new modes of piety, Christians developed new ways of thinking about angels. The book begins with a detailed examination of the two most popular discourses about angels that developed in late antiquity. In the first, developed by Christians cultivating certain kinds of ascetic practices, angels were one type of being among many in a shifting universe, and their primary purpose was to guard and to guide Christians. In the other, articulated by urban Christian leaders in contest with one another, angels were morally stable characters described in the emerging canon of Scripture, available to enable readers to render Scripture coherent with emerging theological positions. Muehlberger goes on to show how these two discourses did not remain isolated in separate spheres of cultivation and contestation, but influenced one another and the wider Christian culture. She offers in-depth analysis of popular biographies written in late antiquity, of the community standards of emerging monastic communities, and of the training programs developed to prepare Christians to participate in ritual, demonstrating that new ideas about angels shaped and directed the formation of the definitive institutions of late antiquity. Angels in Late Ancient Christianity is a meticulous and thorough study of early Christian ideas about angels, but it also offers a different perspective on late ancient Christian history, arguing that angels were central rather than peripheral to the emergence of Christian institutions and Christian culture in late antiquity.

Let one of the most beloved and respected Bible teachers of our time guide you verse-by-verse through the Scriptures with The
Wiersbe Bible Commentary Old Testament, the trusted reference you'll love to read.

Make Your Study Personal and Your Devotions Serious. You study the Bible to connect with God's heart. The NLT Study Bible gives you the tools you need to enter the world of the Bible so you can do just that. Including over 25,000 study notes plus profiles, charts, maps, timelines, book and section introductions, and approximately 300 theme notes, the NLT Study Bible will make your study personal and your devotions serious. This new large print edition features a generous 10-point font. The New Living Translation breathes life into even the most difficult-to-understand Bible passages, changing lives as the words speak directly to their hearts.
