Muhammad Ali Was a Chicken? (Wait! What?)

A sweeping biography of one of the greatest and most provocative athletes of all time—"a life that needs to be understood whether you care a whit about boxing or not" (The Boston Globe). Athlete, activist, rebel, poet, legend—Muhammad Ali stood larger than life in the imagination of hundreds of millions of people around the world. A gold medalist at the 1960 Olympics, he won the heavyweight championship at age twenty-two by conquering Sonny Liston in dramatic fashion. In the weeks after the upset victory, he confirmed his membership in the Nation of Islam and told reporters he would no longer answer to his "slave name": Cassius Clay. The political establishment stripped him of his heavyweight title when he refused induction into the United States Army during the height of the war in Vietnam. Ultimately, Ali returned to reclaim his crown, prevailing in epic fights against the likes of Joe Frazier and George Foreman. His talent and charisma—and above all, his adherence to principle—made him a cultural icon and one of the most beloved sporting figures of all time. But that is only half the tale. *Muhammad Ali: His Life and Times* is also the story of Ali, the man. Author Thomas Hauser got closer to Ali than any previous biographer. His work—told in Ali's own words and those of hundreds of family members, friends, rivals, and others who interacted with "The Greatest" over the decades—reveals a deeply spiritual, complex man, whose public and private battles, including his struggle against the devastating effects of Parkinson's disease, gave new meaning to the word courage and changed forever our conception of what makes a champion. Heralded by the New York Times as "the first definitive biography of the boxer who transcended sports as no other athlete ever has," *Muhammad Ali: His Life and Times* is a must-read for anyone seeking to understand the legacy of one of the twentieth century's most charismatic and controversial superstars. This ebook includes rare photos authorized by Muhammad Ali Enterprises.

Muhammad Ali: A Biography

Muhammad Ali, heavyweight champion of the world three times, a feat which earned him the title 'The Greatest', would often say that he was bigger than boxing. He was right and is known as a poet, a folk hero, a symbol of black American pride, and a man who stands up for his beliefs. His decision to join the Nation of Islam, along with his refusal to serve in the Vietnam War, made him both a highly controversial figure and a cultural icon. For readers aged 10 and up.

The Greatest: Muhammad Ali

Muhammad Ali was an American professional boxer, generally regarded as the most significant heavyweight in the history of the sport. Early in his career, Ali was known for being an inspiring, controversial and polarizing figure both inside and outside the boxing ring. He is one of the most recognized sports figures of the past 100 years, crowned "Sportsman of the Century" by Sports Illustrated and "Sports Personality of the Century" by the BBC. He also wrote several

best-selling books about his career, including *The Greatest: My Own Story* and *The Soul of a Butterfly*. Ali began training at 12 years old. At the age of 22, he won the world heavyweight championship from Sonny Liston in a stunning upset in 1964. Shortly after that, Ali joined the Nation of Islam and changed his name. He converted to Sunni Islam in 1975, and then to Sufism in 2005. Ali retired from boxing permanently in 1981. In 1967, three years after winning the heavyweight title, Ali refused to be conscripted into the U.S. military, citing his religious beliefs and opposition to American involvement in the Vietnam War. He was eventually arrested and found guilty on draft evasion charges and stripped of his boxing title. He did not fight again for nearly four years—losing a time of peak performance in an athlete's career. Ali's appeal worked its way up to the Supreme Court of the United States where, in 1971, his conviction was overturned. Ali's actions as a conscientious objector to the war made him an icon for the larger counterculture generation. Ali remains the only three-time lineal world heavyweight champion; he won the title in 1964, 1974, and 1978. Between February 25, 1964 and September 19, 1964 Ali reigned as the undisputed heavyweight boxing champion. Nicknamed "The Greatest," he was involved in several historic boxing matches. Notable among these were the first Liston fight, three with rival Joe Frazier, and "The Rumble in the Jungle" with George Foreman, in which he regained titles he had been stripped of seven years earlier.

'The man who has no imagination Stands on earth He has no wings He cannot fly' Muhammad Ali Just off Highway 61 in northern Pennsylvania, up the dirt drive of a wooded hill lay a place called Fighter's Heaven. This was once the training camp of the 'greatest of all times'. From early '73 through the summer of '74 Victor Bockris visited Muhammad Ali, while Ali was preparing for his epic battle in Zaire to regain the World Heavyweight crown from the fearsome George Foreman. Bockris, who was later to write about people like William Burroughs, Andy Warhol and Lou Reed was less interested in his subject's boxing career and ambitions than in his extraordinary gifts as a poet, preacher and performer. As Muhammad Ali said himself of this book, 'These are some of the things I don't reveal to the public too much'.

Muhammad Ali

The Greatest

ABOUT THE BOOK As indicated by the blizzard of 70th birthday tributes published at the start of 2012, Muhammad Ali has the kind of international recognition matched by few public figures living or dead. Ali is arguably the most reviled and beloved spokesman in the history of U.S. civil rights. He danced, boasted, and rhymed his way into our lives with messages about freedom of worship and equality for African Americans. He infuriated the staid patriarchy with his rebellious attitude and rejection of Christianity. Barely literate in conventional reading and writing, Ali was pure genius in the social media of his time, television. He loved being on camera, and the camera adored him right back. He energized a dying sport and, for better or worse, provided the model for sports showmanship and personality marketing that pervades today's spectator events. Even more remarkably, Ali the athlete lived up to his own hype. He reached the pinnacle of his athletic potential and stayed there while surrounded by distractions of every size, shape, and volume. The same sportswriters who hated his politics and religion, grudgingly had to acknowledge that no 200-pound fighter before or since delivered such a lethal combination of speed and grace. He won a record-setting three heavyweight titles in a professional career that spanned 21 years. Ali was a brilliant strategist, inside and outside of the ropes. He understood how psychology could wear an opponent down as effectively as any body blow. His clowning for public consumption was unabashedly exuberant. When the time came to be serious, however, no competitor was more focused or determined. A tempestuous man living through unsettling times, Ali showed a facility for affecting people at their deepest emotional levels. To this day very few people react to him with lukewarm feelings—you either hate him or love him. He has been successful in virtually every aspect of his life, except perhaps his current battle with

Parkinson's. More importantly, were you to ask, it would be hard to imagine him conceding defeat. REACTIONS FROM WELL-KNOWN FRIENDS [Cassius Clay] fits in with the famous singers no one can hear and the punks riding motorcycles and Batman and the boys with their long dirty hair and the girls with the unwashed look and the college kids dancing naked at secret proms and the revolt of students who get a check from Dad, and the painters who copy the labels off soup cans and surf bums who refuse to work and the whole pampered cult of the bored young. (Jimmy Cannon) [Clay] will mean more to his people than any athlete before him. He is more than [first black major-league baseball player] Jackie Robinson was, because Robinson is the white man's hero. But Cassius is the black man's hero. Do you know why? Because the white press wanted him to lose [his heavyweight championship bout] because he is a Muslim. You notice nobody cares about the religion of other athletes. But their prejudice against Clay blinded them to his ability. (Malcolm X) buy the book to keep reading!
