[The Forbidden Secret](#)

There are 100's of versions of the Bible. This study compares only 50 versions of Matthew, Mark, Luke and John. Why are there so many versions? 1) There are 1,000's of copies of Bible manuscripts, some of which have unauthorized changes made by the copyists. The translators can not agree on which copies to use. 2) The translators use different kinds of English, such as: Amplified. Contemporary. Expanded. Inspirational. Literal. Majestic, Plowboy & Unvarnished English. And none of these versions agree with other similar versions: some are Conservative, others Liberal or Radical.

[From the English Numeric New Testament](#)

[Das neue Testament](#)

Life is the most important possession we have. Without it, there is nothing. Only by the resurrection at the second coming of Christ will anyone have life after death. After the resurrection, the fate of those who are in Christ: [1] Eternal life [Romans 6:23] [2] "Shall inherit eternal life" [Matthew 19:29] [3] After the judgment they "shall go away into eternal life" [Matthew 25:46] [4] Will "have eternal life" [John 3:5] [5] Christ will raise them up on the last day [John 6:40] [6] Will be immortal after the resurrection [1 Corinthians 15:51-56] [7] Will have incorruption [1 Corinthians 15:42] [8] Will have glory [1 Corinthians 15:43] [9] Will be like Christ "We shall be like him; for we shall see him even as he is" [1 John 3:2] [10] Are "heirs according to the hope of eternal life" [Titus 3:7] [11] Will have a spiritual body [1 Corinthians 15:44] [12] "And as we have borne the image of the earthly (The earthly flesh and blood body of Adam was made to live on this earth but it "cannot inherit the kingdom of God" 1 Corinthians 15:50), we shall also bear the image of the heavenly" (Shall be like the spiritual body of Christ for life in Heaven) [1 Corinthians 15:47-56] [13] "Will never perish" [John 10:28] [14] Forever with the Lord [1 Thessalonians 4:17] [15] Many mansions in my father's house: "In my Father's house (Who is in Heaven, Matthew 5:16; 5:45; 5:48; 6:1; 6:9; 7:21; 10:32-33) are many mansions I go to prepare a place for you."

[Seitas e Heresias](#)

Were you intrigued, but disappointed by *The Bible Code*? *Numerical Secrets of the Bible*, written by one of Europe's leading biblical scholars, gives you the actual facts about one of the most important recent discoveries in the field of biblical study, namely that the books of the Bible are numerical compositions. The biblical writings were not written in an off-hand manner, but were meticulously composed according to compositional techniques in which the counting of words played a crucial role. This discovery has far-reaching consequences for our views on the formation and the structure of the text of the Hebrew Bible and of the Greek text of the New Testament. Labuschagne introduces you to the fascinating world of number symbolism in biblical times. He demonstrates how well-known symbolic numbers, such as 7 and 12, and especially the lesser known holy numbers 17 and 26, which represent the numerical value of the name YHWH, were used to give structure to the text and to deepen its contents. Among other fascinating findings, this study confirms the medieval Jewish tradition that the name of God is interwoven in the fabric of the text of Holy Scripture.

[Concealed from Christians for the Glory of God: The 1611 KJV the King James Bible Authorized Version](#)

Ivan Panin's complete *Numeric English New Testament* includes full notes, formatted precisely as he himself did in 1914. Where manuscripts differed Panin used the one that matched the complex maze of numerical patterns found in the letters and words and paragraphs of the Greek text, assuming these were accurate copies of the original autographs. This edition follows the conventional order of the books. Imagine that as a Greek scholar, you had a way to double-check your work. This is what Panin has been able to do with Numerics. The amount of research poured into this translation is simply astounding, and has proven itself over time, standing shoulder to shoulder with the best scholarship extant today. (It is amazing how similar his 1914 NT is to the ESV.)

[Unveiling the Mystery of the Last Days: Part 1](#)

A discussion of the major precepts of Christianity and how they have fared since the time of Christ. With specific emphasis of how modern Christianity has succeeded or failed in maintaining Christianity the way it was liad down by Christ and the apostles.

[God's Simple Plan for His Church - And Your Place in It](#)

More than 300 Bible or New Testament translations, including the popular King James Version, have been produced in English in the past 600 years. These various translations, both obscure and well-known, were undertaken by diligent individuals working either alone or in committees known to number more than 100. This reference work provides information about the men and women who produced English language translations. Arranged alphabetically by surname, each of the 346 entries includes biographical and vocational information; notes on the various editions produced; samples of their translation; and other pertinent facts. In cases where translations were done by committee, the chairpersons and project initiators are covered. Important anonymous translations are also included.

[Numeric English New Testament](#)

It has been estimated by many that 80 percent of believers have little or no knowledge of what is in their Bibles. This manual seeks to open up more scriptural answers to believers who are seeking peace, contentment, and victory in their walk with the Lord.

[The Essential Evangelical Parallel Bible](#)

[Heaven's Natural Religion](#)

Christians everywhere are in the darkness of Deism regarding the Bible. Are you one of them? Deism believes God brings forth, then shows indifference toward finishing. This book asks: At what stage did God take His Holy Spirit away from the finishing details of the Bible? Did God gather the books and order them? Divide and number the chapters and verses? Translate a Bible, choosing its words down to the letters? Did God put Jesus' words in red? In this book, by grace through faith, you will be made strong in knowing and understanding the way of the Father in life in the raising of the Bible from the seed Hebrew Old Testament, to the growth of the Greek New Testament, unto the maturity in the English finished and perfected Bible, the King James Bible.

[English Language Bible Translators](#)

The author of The Gospel of Inclusion continues to rouse organized religion as he raises controversial issues and provides enlightening answers to the deepest questions about God and faith. What is God? Where is God? Who is the one true God? Questions such as these have driven a thousand human struggles, through war, terrorism, and oppression. Humanity has responded by branching off into multiple religions, including Christianity, Judaism, Islam—each one pitted against the other. But it doesn't have to be that way. In God Is Not a Christian, nor a Jew, Muslim, Hindu . . . , the provocative and acclaimed Bishop Carlton Pearson follows up on his celebrated first book, The Gospel of Inclusion, to tackle these questions and many more, exploring new ideas about God and faith and putting forth the stunning assertion that God belongs to no particular religion but is an ever-loving presence available to all. For these beliefs, Bishop Pearson lost his thriving Pentecostal ministry but was catapulted instead into a greater pulpit. His readership has grown through appearances on national television and an extensive speaking schedule. With the world in the midst of a holy war, there is no better time for the wisdom of Bishop Pearson to reach a global audience. Bishop Pearson's many loyal fans, along with new readers, will surely welcome this provocative and eye-opening exploration of a deeper faith, one that goes far beyond any fundamentalist way of thinking, be it Christian, Jewish, Muslim, Hindu, etc. Simply put, Bishop Pearson dares to tell the truth so many others are too afraid to face.

[The Scofield Study Bible](#)

[International Books in Print](#)

The Essential Evangelical Parallel Bible enables readers to easily compare a quartet of modern translations that span the full range of approaches, from the most precise and literal to the most dynamic and reader-friendly. The New King James Version and English Standard Version permit close word-study, while the New Living Translation and The Message present the text as its earliest audiences might have experienced it. The complete texts of the four translations featured in this volume are conveniently displayed on facing pages (two translations per page), with the same set of verses on each one. The EEPB is particularly noteworthy because it is the first parallel Bible to feature the updated NLT text.

[Holy Bible: English Standard Version \(ESV\) Anglicised Edition](#)

The ScofieldRG Study Bible III offers an unparalleled package of reference tools designed to enrich the study of God's

*unchanging Word. It has been augmented (not revised) with a wealth of factual information that is clearly displayed in charts and sidebar articles. These add depth and richness to study time, making the ideas underlying the Scofield's annotations clearer to modern readers. This edition features the English Standard Version, an "essentially literal" translation of the Bible that emphasizes word-for-word accuracy and precision along with literary beauty and readability. Enhanced book introductions, accurate in-text maps, authoritative full-color maps, and page-bottom notes broaden the context of the reader's understanding. Everything about this volume has been designed to encourage serious Bible study. First-time students and seasoned believers alike will find it to be a trustworthy guide to the panorama of God's plan of salvation. * An exclusive, subject-based topical chain reference system. * An exclusive, subject-based topical chain reference system. * Over 100 boxed factual articles and lists. * Expanded introductions with detailed outlines of each book. * An expanded Subject index. * Study not biblical references are in "chapter-and-verse" format. * Side-column references are grouped by chapter and verse. * Over 550 in-text definitions of proper nouns for people and place names. * Nearly 70 in-text black and white maps and charts. * In-text articles of nearly 250 notes crucial to understanding the ScofieldRG. * Indexes to Proper Nouns, Chain References, and Subjects. * 16 pages of accurate, full color New Oxford Bible Maps (with index of places and natural features). * Bottom-of-the-page study notes. * Sectional headings. * Select ESV Concordance.*

[Christian Counsel Manual](#)

[Numeric English New Testament](#)

Traces the history of the Bible from the earliest manuscripts to contemporary translations.

[Numeric English New Testament](#)

No que a Bíblia difere das principais crenças do mundo? Neste livro, o leitor poderá conhecer os dogmas e crenças do Catolicismo, do Espiritismo, do Adventismo do 7.º dia, dos Testemunhas de Jeová, do Evolucionismo, da Maçonaria entre outros grupos religiosos e filosóficos, e confrontá-las com a Palavra de Deus. A disseminação de seitas e heresias tornou-se muito mais fácil no mundo globalizado. Com apenas um clique, falsos mestres podem propagar seus ensinamentos ao redor do mundo sem maiores problemas. Sabemos que estamos vivendo os últimos tempos, mas não podemos ficar alheios a tantas vidas enviadas para a perdição. É chegado o momento de o povo de Deus se levantar. Com o intuito de alertar e ajudar no discernimento entre as verdades bíblicas e os erros ensinados por estas falsas seitas, o pastor Raimundo de Oliveira pesquisou sobre algumas das principais Seitas e Heresias dos dias atuais e, sempre à luz da palavra de Deus, preparou uma importante obra de Heresiologia. Este material é um importante aliado para quem quer entender e estar melhor preparado para refutar as diversas heresias que estão presentes nos nossos dias. Um produto CPAD.

[Factual Faith - Belief Founded on Truth](#)

[Panin's Greek and English Parallel New Testament](#)

The secrets of the end times are hidden in scripture. The information in this book would be considered "top secret" in intelligence circles and represents truth that Satan does not want you to know. For years, he has been leading people to believe that a so-called Revived Roman Empire will rise, representing the "final beast empire" of Revelation 13. However, as this book will prove, the meanings of the original Hebrew in the Bible, in addition to numbers, patterns, and codes found therein, all point to an Israel centered interpretation of the last days and the fact that the beast is actually the religion and empire of Islam within religious Israel. In this fascinating study, you will explore the original text of the Bible to uncover exactly what will take place during the last days. You will also discover: • How Yahweh uses the Hebrew language in His plan • The meaning behind cryptic passages, such as Daniel 2, 7 and 9, and Revelation 13 and 17 • The mark, name of the beast, and 666 are all associated with the Islamic control of Israel • Lucifer's plan to trick the Jews of Israel to worship him instead of Yahweh • The prophetic importance of 2020 and its relation to Islam This ground-breaking research astoundingly supplements the recent findings of prominent Christian Islamic expositors, and is a must read for any serious truth seeker.

[The Evangelical Parallel New Testament](#)

50 BIBLES COMPARED

This is Ivan Panin's classic Numeric English New Testament. The singular/plural distinctions (even while changing thee/thou to "you") have been preserved. Where manuscripts differ Panin used the one that matched the complex maze of numerical patterns found in the Greek text. He felt he then had an accurate copy of the original autographs. All paragraph and sentence structure have been carefully preserved. The full notes have not been altered. . (It is amazing how similar his 1914 NT is to the ESV.) The amount of research poured into this translation is simply astounding, and has proven itself over time, standing shoulder to shoulder with the best scholarship extant today.

[Understanding the Afterlife](#)

Oxford University Press adds to its prestigious list of parallel-text biblical-reference resources with the Evangelical Parallel

New Testament. This volume features the New Testaments of eight translations used by various segments within the evangelical community today. It is particularly notable for including the recently published Holman Christian Standard Bible, The Message, the New Living Translation, and Today's New International Version. The texts are arranged on facing pages, with the texts of four translations on each page. The Evangelical Parallel New Testament shows the translation philosophies and word choices made by diverse groups of evangelical scholars during the last three decades of the twentieth century. This useful volume features three interesting essays: one on the specific characteristics of each translation and where it falls in the spectrum of approaches, a second on formal vs. functional equivalence in translation, and a third on the underlying Greek text of the New Testament.

[Canadian Books in Print](#)

Do We Need This Book? My aunt, nearly 90 years old, at the death of her youngest sister tearfully asked the presiding minister "But where is my sister, in the earth or in heaven?" Both she and her sister were raised to be very faithful Christians in the church. This uncertainty only exemplifies the great need for this book. — Kenneth H. Pollard, elder, Thomaston Road church of Christ.

[Numeric English New Testament](#)

Ivan Panin's classic Numeric English New Testament in contemporary language includes full notes and formatted to his 1936 revision of his 1914 translation. This work has intrigued scholar and layman alike since its inception and remains one of the most accurate and readable New Testament translations available.

[The Journey from Texts to Translations](#)

The purpose of this revision is to make the Numeric New Testament more searchable, readable, and affordable. Much attention has been showed to keep the work of Ivan Panin as close as possible to his original version, including the absence of certain scriptures. There was no attempt to paraphrase or re-translate any of his work. The word for word type translation of the Numeric Greek bible into English remains solid for this revision. The substantial changes in this revision are mostly to do with formatting. Clear chapter breaks as well as headers at the top of each page have been added. Also the text was changed to double column format. This was done to make the Bible easier to navigate. Among other formatting changes was the removal of the colons used throughout the text. In most versions they were placed in the spaces between the words or other incorrect places. Also, there is plenty of room for notes with extra-large margins throughout bible and blank note pages included at the end of the book.

[The National Union Catalog, Pre-1956 Imprints](#)

[The Bible's Redemption Pattern and Numeric Map](#)

Described as an "invaluable reference work" (Classical Philology) and "a tool indispensable for the study of early Christian literature" (Religious Studies Review) in its previous edition, this new updated American edition of Walter Bauer's Wörterbuch zu den Schriften des Neuen Testaments builds on its predecessor's staggering deposit of extraordinary erudition relating to Greek literature from all periods. Including entries for many more words, the new edition also lists more than 25,000 additional references to classical, intertestamental, Early Christian, and modern literature. In this edition, Frederick W. Danker's broad knowledge of Greco-Roman literature, as well as papyri and epigraphs, provides a more panoramic view of the world of Jesus and the New Testament. Danker has also introduced a more consistent mode of reference citation, and has provided a composite list of abbreviations to facilitate easy access to this wealth of information. Perhaps the single most important lexical innovation of Danker's edition is its inclusion of extended definitions for Greek terms. For instance, a key meaning of "episkopos" was defined in the second American edition as overseer; Danker defines it as "one who has the responsibility of safeguarding or seeing to it that something is done in the correct way, guardian." Such extended definitions give a fuller sense of the word in question, which will help avoid both anachronisms and confusion among users of the lexicon who may not be native speakers of English. Danker's edition of Bauer's Wörterbuch will be an indispensable guide for Biblical and classical scholars, ministers, seminarians, and translators.

[Astounding New Discoveries](#)

[Numerical Secrets of the Bible](#)

[Numeric New Testament](#)

The one thing that isn't a secret is that our world is in a monstrous MESS! A murderous mob has seized control of our planet. They have chilling plans for you and your family. The elite have sworn to suppress the forbidden secret, discredit it,

and keep it from the public. They have deceitfully manipulated every aspect of our society mentally conditioning us to doubt, ignore, or reject the survival strategy offered in The Forbidden Secret. But a powerful figure is set to smash their agenda. Meanwhile, a rescue plan is in place, and simple steps will guarantee your survival."

[Antiquarian Bookman](#)

[A Resurrection to Immortality](#)

The Numeric New Testament was originally transcribed by Ivan Panin. He believed he found a mathematical pattern in the Greek texts of the bible that would indicate the documents that were most authentic and correct. Mr. Panin devoted much of his life to proving the inspired Word contained certain watermarks by God to preserve its truth. The Greek texts that contained this pattern were the ones he chose to be most reliable. These Greek texts were then translated into English. Ivan Panin used a literal word for word type translation for this work. When word for word Greek was too fragmented to read, Mr. Panin added additional words to give the sentence structure; marking those words in italics. The literal translating of words gives a new richness and depth into God's word. With scripture renderings like: "And the Word became flesh and tabernacled among us," (Jn 1:14); "and whosoever shall say, Thou fool, shall be in danger of the geenna of fire." (Mt. 5:22); Amen I say to unto you that this race shall not pass away, till all be accomplished. (Lk. 21:32). Reading the Word from this translation will give new perspective of Scripture and is certainly worth adding to any collection of quality bible translations currently available. This edition has been reformatted with easy navigation in mind.

[Seitas E Heresias](#)

"Diary of a Conscious Believer" Questions the inconsistencies of what the Bible states and how we chose to follow those teachings. Along with personal accounts, the author poses questions to the reader, through short essays, that will cause the reader to reflect on God and spirituality.

[Diary of a Conscious Believer](#)

An e-book edition of the highly accurate English Standard Version Bible.

[Canadian Books in Print](#)

Through Biblical study and observation in Heaven, Mr. Whipple concludes that love and forgiveness are the most essential of all beliefs, yet they are lacking in most of the worlds major religions.

[Have Christians Failed?](#)

Heresia deriva da palavra grega háiresis e significa: esco-lha , seleção , preferência . Daí surgiu a palavra seita, por efei-to de semântica. Do ponto de vista cristão, heresia é o ato de um indivíduo ou de um grupo afastar-se do ensino da Palavra de Deus e adotar e divulgar suas próprias idéias, ou as idéias de outrem, em matéria de religião. Em resumo, é o abandono da verdade.
