*The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.*

*Despite some enormous differences in salary among professional athletes, most aspects of their daily lives remain surprisingly constant across sports and income levels. In Living out of Bounds author Steven J. Overman mines a wide array of sports biographies, autobiographies, memoirs, and diaries to construct a representative picture of the athlete's life. In the course of the work a portrait emerges that transcends the individual lives lived. The shared experiences of devoted training, of travel and hotels, and of tension within and beyond the clubhouse or gym, force us to appreciate the often oppressive reality of the sporting life, at the same time that the individual lives lived also provide us with a glimpse of the rewards that make sports so*

*Conversations with Colum McCann brings together eighteen interviews with a world-renowned fiction writer. Ranging from his 1994 literary debut, *Fishing the Sloe-Black River*, to a new and unpublished interview conducted in 2016, these interviews represent the development as well as the continuation of McCann's interests. The number and length of the later conversations attest to his star-power. *Let the Great World Spin* earned him the National Book Award and promises to become a major motion picture. His most recent novel, *TransAtlantic*, has awed readers with its dynamic yoking of the 1845-1846 visit of Frederick Douglass to Ireland, the 1919 first nonstop transatlantic flight of Alcock and Brown, and Senator George Mitchell's 1998 efforts to achieve a peace accord in Northern Ireland. An extensive interview by scholar Cecile Maudet is included here, as is an interview by John Cusatis, who wrote *Understanding Colum McCann*, the first extensive critical analysis of McCann's work. An author who actually enjoys talking about his work, McCann (b. 1965) offers insights into his method of writing, what he hopes to achieve, as well as the challenge of writing each novel to go beyond his accomplishments in the novel before. Readers will note how many of his responses include stories in which he himself is the object of the humor and how often his remarks reveal insights into his character as a man who sees the grittiness of the urban landscape but never loses faith in the strength of ordinary people and their capacity to prevail.*

*This book explores how the concept of "competition", which is usually associated with market economies, operated under state socialism in the Soviet Union and Eastern Europe, where the socialist system, based on command economic planning and state-centred control over society, was supposed to emphasise "co-operation", rather than competitive mechanisms. The book considers competition in a wider range of industries and social fields across the Soviet bloc, and shows how the gradual adoption and adaptation of Western practices led to the emergence of more open competitiveness in socialist society. The book includes discussion of the state's view of competition, and focuses especially on how competition operated at the grassroots level. It covers politico-economic reforms and their impact, both overall and at the enterprise level; competition in*

*Nancy Sifton's eye witness account of the legendary dancer Rudolf Nureyev's 30-year career provides a "must read" for performing arts and biography buffs. An inside look at the incredible life of legendary dancer Rudolf Nureyev from an eye-witness account by dance enthusiast and writer Nancy Sifton. With humor and respect, her book educates, illuminates, and explains the many facets of this great dancer and the inspiring world of dance.*

*Rudolf Nureyev had it all: beauty, genius, charm, passion, and sex appeal. No other dancer of our time has generated the same excitement, for both men and women, on or off the stage. With Nureyev: The Life, Julie Kavanagh shows how his intense drive and passion for dance propelled him from a poor, Tatar-peasant background to the most sophisticated circles of London, Paris, and New York. His dramatic defection to the West in 1961 created a Cold War crisis and made him an instant celebrity, but this was just the beginning. Nureyev spent the rest of his life breaking barriers: reinventing male technique, "crashing the gates" of modern dance, iconoclastically updating the most hallowed classics, and making dance history by partnering England's prima ballerina assoluta, Margot Fonteyn--a woman twice his age. He danced for almost all the major choreographers--Frederick Ashton, George Balanchine, Kenneth MacMillan, Jerome Robbins, Maurice Béjart, Roland Petit--his main motive, he claimed, for having left the Kirov. But Nureyev also made it his mission to stage Russia's full-length masterpieces in the West. His highly personal productions of Swan Lake, The Nutcracker, Raymonda, Romeo and Juliet, and La Bayadère are the mainstays of the Paris Opéra Ballet repertory to this day. An inspirational director and teacher, Nureyev was a Diaghilev-like mentor to young protégés across the globe--from Karen Kain and Monica Mason (now directors themselves), to Sylvie Guillem, Elisabeth Platel, Laurent Hilaire and Kenneth Greve. Sex, as much as dance, was a driving force for Nureyev. From his first secret liaison in Russia to his tempestuous relationship with the great Danish dancer Erik Bruhn, we see not only Nureyev's notorious homosexual history unfold, but also learn of his profound effect on women--whether a Sixties wild child or Jackie Kennedy and Lee Radziwill or the aging Marlene Dietrich. Among the first victims of AIDS, Nureyev was diagnosed HIV positive in 1984 but defied the disease for nearly a decade, dancing, directing the Paris Opéra Ballet, choreographing, and even beginning a new career as a conductor. Still making plans for the future, Nureyev finally succumbed and died in January 1993. Drawing on previously undisclosed letters, diaries, home-movie footage, interviews with Nureyev's inner circle, and her own dance background, Julie Kavanagh gives the most intimate, revealing, and dramatic picture we have ever had of this dazzling, complex figure. NOTE: This edition does not include photos.*

*"What lies behind the metaphor of dance? What mysterious alchemy creates the greatest dancer of our time? These rare, candid photos reveal Nureyev's incredible commitment to the craft, and his passionate devotion to finding a way to slip the bounds of mortal gravity and leap to a height with a love and a command of the art never seen before or since. Far from the maddening crowd in the middle of America an amateur photographer who was an enthusiastic and knowledgeable fan won Nureyev's trust so that he was allowed to go behind and beyond the staged performances of this master artist and capture those revealing moments of his incredible hard work and his freeform, artistic play. Who else but Nureyev could, in the heat of a St. Louis summer, let loose a leap that raised the spirits of all who saw it? Now we can see this amazing artist who had such a unique gift for creative focus and joyous flight." -- Book jacket.*

*Born on a train in Stalin's Russia, Rudolf Nureyev was ballet's first pop icon. No other dancer of our time has generated the same excitement – both on and off stage. Nureyev's achievements and conquests became legendary: he rose out of Tatar peasant poverty to become the Kirov's thrilling maverick star; slept with his beloved mentor's wife; defected to the West in 1961; sparked Rudimania across the globe; gave his rabid sexuality full reign; established the most rhapsodic partnership in dance history with the middle-aged Margot Fonteyn; reinvented male technique; gatecrashed modern dance; moulded new stars; and staged Russia's unknown ballet masterpieces in the West. Julie Kavanagh's uncompromising and magnificent biography, ten years in the making, is a brilliant tribute to a superstar the world can never forget.*

*Here, for the first time, is an intimate and fascinating portrait of Rudolf Nureyev off-stage - a man who was an exacting, unpredictable, parsimonious and often immature individual, yet who, at the same time, aroused great affection in a host of friends. Simon Robinson frankly recalls his eventful year working for Nureyev. He did everything for this hopelessly impractical dancer except be his lover, much to Nureyev's disappointment. It was the Russian's insatiable sexual appetite that eventually destroyed him. Nureyev had six houses on three continents but no staff in any of them and he couldn't cook, drive, write a letter, tie a necktie or even change a light bulb. In 1990 Simon Robinson, until then professional crew on a racing yacht, became his PA. For the next twelve months they travelled from the Caribbean to America to Europe, living in luxury in Nureyev's New York and Paris apartments and in spartan isolation on his tiny Mediterranean island. Nureyev's explosive nature was exhausting to live with and many times during their year together Robinson nearly quit - and Nureyev nearly sacked him. It didn't happen, however, because Nureyev needed his PA's calm reliability to ballast his own rocky life, and because Robinson knew that genius must make its own rules.*

*The twelve essays collected in this work explore the afterlives of nineteenth- and twentieth-century writers in biographical fiction, or biofiction, and its sister genre, the biopic. The essays situate these genres in relation to their generic, cultural, and ideological contexts, and are organised into four groups. The first locates the origins of biofiction in the historical novel, and in Modernist experiments in life writing, while the second consists of case studies of biofiction about writers from the long nineteenth century: Charlotte Brontë, Henry James, Constance Fenimore Woolson, and Rupert Brooke. A guest essay by novelist Maggie Gee opens the third group, which analyses the fertile sub-genre of biographical novels about Woolf, while the fourth and final part of the book concerns the related genre of the biopic. The volume is comprised entirely of original commissions, whose authors include postgraduate students, practitioners and specialists in biographical writing. It will appeal to undergraduates and postgraduates on life writing and contemporary literature modules, as well as fans of the featured biographical novelists and their subjects.*

*A distinguished dance critic offers an enchanting introduction to the art of ballet As much as we may enjoy Swan Lake or The Nutcracker, for many of us ballet is a foreign language. It communicates through movement, not words, and its history lies almost entirely abroad -- in Russia, Italy, and France. In Celestial Bodies, dance critic Laura Jacobs makes the foreign familiar, providing a lively, poetic, and uniquely accessible introduction to the world of classical dance. Combining history, interviews with dancers, technical definitions, descriptions of performances, and personal stories, Jacobs offers an intimate and passionate guide to watching ballet and understanding the central elements of choreography. Beautifully written and elegantly illustrated with original drawings, Celestial Bodies is essential reading for all lovers of this magnificent art form.*

*A landmark account of gay and lesbian creative networks and the seismic changes they brought to twentieth-century culture In a hugely ambitious study which crosses continents, languages, and almost a century, Gregory Woods identifies the ways in which homosexuality has helped shape Western culture. Extending from the trials of Oscar Wilde to the gay liberation era, this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity. Woods shines a revealing light on the diverse, informal networks of gay people in the arts and other creative fields. Uneasily called "the Homintern" (an echo of Lenin's "Comintern") by those suspicious of an international homosexual conspiracy, such networks connected gay writers, actors, artists, musicians, dancers, filmmakers, politicians, and spies. While providing some defense against dominant heterosexual exclusion, the grouping brought solidarity, celebrated talent, and, in doing so, invigorated the majority culture. Woods introduces an enormous cast of gifted and extraordinary characters, most of them operating with surprising openness; but also explores such issues as artistic influence, the coping strategies of minorities, the*

*This is the first anthropological study of writers, writing and contemporary literary culture. Drawing on the flourishing literary scene in Ireland as the basis for her research, Helena Wulff explores the social world of contemporary Irish writers, examining fiction, novels, short stories as well as journalism. Discussing writers such as John Banville, Roddy Doyle, Colm Tóibín, Frank McCourt, Anne Enright, Deirdre Madden, Éilís Ní Dhuibhne, Colum McCann, David Park, and Joseph O'Connor, Wulff reveals how the making of a writer's career is built on the 'rhythms of writing': long hours of writing in solitude alternate with public events such as book readings and media appearances. Destined to launch a new field of enquiry, Rhythms of Writing is essential reading for students and scholars in anthropology, literary studies, creative writing, cultural studies, and Irish studies.*

*"Rudolf Nurejew" erzählt die Geschichte des berühmtesten Balletttänzers der Welt. Geboren 1938 in Sibirien, er absolvierte noch mit 17 Jahren die renommierte Staatliche Choreografie-Schule Leningrad (heute: Waganowa-Ballettschule). Während einer Tournee 1961 in Paris beantragte er Asyl in Frankreich. Mit seinen Choreografien hat er viele klassische Ballettwerke wie "Nussknacker", "Don Quijote" und "Schwanensee" wiederbelebt und in die Moderne fortgeschrieben. Er machte den männlichen Rollenpart gleichberechtigt zu dem der Ballerina und tanzte mit den berühmtesten Tänzerinnen des 20. Jahrhunderts. Rudolf Nurejew war bis zu seinem frühen Tod 1993 ein leidenschaftlicher Mensch und ist bis heute eine unvergleichliche Ikone des Balletttanzes. "Was für eine Urkraft war Rudolf Nurejew, was für ein Ereignis. Er war und ist eigentlich bis heute ein Star. Er war besessen, besessen von Tanz, Theater. () Sein anspruchsvoller Arbeitsstil, der wie er selbst legendär war, wirkte sich auf die ganze Generation der Tänzerinnen und Tänzer aus, sowohl auf der Bühne als auch in seiner Intendantenzeit im Ballettensemble der Pariser Oper.
