Pocket Spanish Grammar The Spanish Conjugations Made Fun series is NOT for beginners. Even though plenty of explanations and examples are given where appropriate, some basic grammar of Spanish is necessary to gain the benefits of what this series has to offer. It is designed for students who know the very basics of the Spanish language but are not able to practice conversation with a Spanish speaker. This "Made Fun" series will assist you to speak authentic Spanish with the help of the accompanying mp3 files, which are available for purchase on the LearningSpanishMarket.com. With the Spanish Conjugations Made Fun series, you will be able to practice extensively without the need for a partner to converse with. You will engage in special drill exercises, using different phrases, to help the tenses you are practicing to be cemented in your mind. It will also enable you to immerse yourself in everyday Latin American Spanish at your own pace, in your own language wherever you are - even in the comfort of your own home. The nearly 1500 carefully selected phrases presented in Volume 1 explore many loosely categorized popular, useful themes that may, in some matter, often overlap, thereby enabling a greater learning experience through the power of repetition. Volume 1 covers the more basic tenses: the present tense, the simple past, the imperative, imperatives, and a few subjunctive basics related to commands and some popular topics. This volume also examines the future tense using the verb "ir," the use of "ser" and "estar," and a few other voice. Spanish Conjugations Made Fun encourages you to explore Spanish far beyond the material offered by the traditional tourist phrasebooks, as it primarily focuses on the use of verbs in conversation. In English, the Spanish language has a much more extensive verb conjugation. This difference is known to present challenges for most Spanish-language students whose aim it is to speak the language. This series is geared toward the serious student who wants to learn to speak the language fluently, as opposed to the "holiday traveler," who just wants to know what the exchange rate is, how to get to where to find a restroom. While some regional differences in verb use and word choice are common among different Spanish-speaking countries, this series mainly draws upon Guatemalan and Mexican influences. However, these differences are not significant enough to influence your effective communication in any Spanish-speaking country. It must also be noted that the translations of the "Made Fun" series are at times not literal: even though they may be grammatically correct, exact translations often sound awkward and do not reflect authentic Latin American Spanish. You must know that this series offers only the most commonly used, everyday Spanish phrases. It will help you speak authentic Spanish, the way it is spoken by Latin Americans in actual conversation.

Spanish for English Speakers

Students' Basic Grammar of Spanish The essential grammar within a full International Spanish course. Following the author's specific experience and interest, the intention of this book is to provide relevant material within a full International Spanish course, with the English-speaking students in mind: presenting all the essential grammar, from basic to advanced, plus additional informal observations, in a simple and logical way with which the readers/students can build their language skills. All topics are explained in English, with examples in both Spanish and English. The Present, Past and Future Tenses, both Simple and Compound, in their Indicative and Subjunctive moods, Commands, Articles, Nouns, Adjectives, Gender and Number Agreement, Adverbs, Prepositions, Pronouns (Direct, Indirect and Double), Reflexive Verbs, Irregular Verbs, Conjunctions, Relatives, Prefixes and Suffixes, Weather Expressions, Numbers, Days and Months, Pronunciation, and the information and the way it is presented are the direct result of the author's interaction with his students during learning sessions, taking as a great feedback their typical questions and concerns of speakers approaching the Spanish language. This book is intended as a Supplemental Book: exercises and vocabulary are not provided. It makes an excellent "portable tutor" for the extension of an easy-to-carry size.

Spanish Grammar Made Easy The grammar tutor explains the basic grammar concepts introduced in Ven conmigo! and compares and contrasts the structures of English and Spanish.

NEGOCIOS SIN FRONTERAS Designed for Spanish-speaking students who have little or no knowledge of Spanish or English grammar. Covers basic punctuation and capitalization in English, the infinitive and to have, contractions with to be, a, an, and the, and possessive adjectives.

Students' Basic Grammar of Spanish Contains lessons on Spanish grammar followed by related exercises, with reading texts that encourage an understanding of the culture of Spanish-speaking countries.

Spanish Verbs and Essentials of Grammar For All Students This compact volume offers an integrated guide to both Spanish verbs and the basics of grammar. All of the major verbal and grammatical concepts of the language are presented in 33 units, each devoted to a particular concept. It is an indispensable guide to anyone who needs a comprehensive yet accessible reference to Spanish verbs.

Practice in Spanish Grammar Grammatical structures are introduced by means of dialogues, setting the language in an everyday context. Grammatical rules are explained clearly and methodically and are then practised in a series of exercises in which the language is kept relatively simple. Practice in Spanish Grammar is both a practical workbook and a useful work of reference, providing a guide to dealing with individual difficulties and enabling students to check for themselves how a particular structure works.

Basic Spanish Enhanced Edition: The Basic Spanish Series Egal ob Sie Spanisch für eine Bestellung der köstlichen Tapas in einer Bar in Spanien oder für die Konversation mit Ihren Geschäftspartnern brauchen oder ob Sie mit Ihren spanischen Freunden über Gott und die Welt reden wollen: In diesem Buch finden Sie alle wichtigen Wörter und Redewendungen, um den Alltag auf Spanisch zu meistern. Kapitel beschäftigt sich mit einer Alltagssituation: Sie lernen die wichtigsten Sätze, Umschreibungen und Begriffe, um sich auf Spanisch vorzustellen, um im Restaurant zu bestellen oder um Fragen zu stellen. Dazu bekommen Sie die Grundlagen der Grammatik und viele Tipps für die richtige Aussprache. Nebenbei lernen Sie so allerlei über die Besonderheiten der spanischen und südamerikanischen Kultur, warum Spanier mindestens drei Namen haben, welche Regionen von Spanien es zu entdecken gilt und welche Redewendungen Spanier gern verwenden. Am Ende eines jeden Kapitels gibt es eine Zusammenfassung, mit der Sie Ihre erworbenen Sprachkenntnisse prüfen können. Im Anhang des Buches finden Sie Verb-Tabellen und ein kleines Spanisch-Deutsch-/Deutsch-Spanisch-Wörterbuch. Auf der beiliegenden CD-ROM finden Sie es die Sprachübungen aus dem Buch zum Anhören und Nachsprechen.

McGraw-Hill's Spanish for Educators (Book Only) PARA EMPEZAR (For Starters) is an exciting new first year Spanish program which consists of two companion volumes. The main text, INTERACCIONES (Interactions), contains all the material and activities to be done in class. It is filled with very lively but very focused activities, with basic grammar concepts and with colorful cultural information. The companion text, EXPLORACIONES (Explorations), can also be used in class, if time permits, or be assigned to students to complete for homework. EXPLORACIONES expands on the material in INTERACCIONES and contains detailed grammar explanations and grammar practice along with reading, writing, and listening exercises. PARA EMPEZAR has a greatly reduced grammar syllabus compared to most other introductory Spanish texts, to the benefit of both student and instructor. With PARA EMPEZAR, instructors can easily complete the text in one year and students can truly master the basic grammar structures, giving them a stronger foundation for upper level courses. PARA EMPEZAR provides students with unique cultural coverage as well, as the text tells the story of Mexico. Additional cultural material includes Faceta cultural (Cultural Facet) sections to provide general cultural information, Otros mundos (Other Worlds) sections which look at specific aspects of the Hispanic world, and a brand new video which is tied to the text.

Spanish for Getting Along Enhanced Edition: The Basic Spanish Series

University of Michigan Official Publication A Student Grammar of Spanish, first published in 2006, is a concise introduction to Spanish grammar, designed for English-speaking undergraduates with prior knowledge of grammatical terminology, it explains each aspect of Spanish grammar in clear and simple terms, provides a wealth of glossed examples to illustrate them, and helps students learn grammar into practice through a range of fun and engaging exercises. Clearly organized into thirty units, each covering a different aspect of the grammar, the book functions both as an essential reference guide and a comprehensive workbook. Individual topics can be looked up via a user-friendly cross-referencing system, and concise definitions are provided in a useful glossary of grammatical terms. Exercises, which include paired and group activities, are suitable for both classroom use and self-study. Each unit is split into two levels, basic and intermediate, making this grammar the perfect accompaniment to any first or second year undergraduate course.
