Aboriginal History - Robe District Council

Bandit (c. 1994 - May 9, 2004) was a raccoon which came to attention after being named "The World's Fattest Raccoon" by The Guinness Book of World Records.. He was born with a thyroid problem which led to his massive weight gain. He was adopted by a dog and raised as one of her puppies, then later taken in by a woman in Palmerton, Pennsylvania.  
May 17, 1925. Running time. 50 minutes. Country. United States.  
Languages. Silent. English intertitles. The Bandit's Baby is a 1925 American silent Western film directed by James P. Hogan and starring Fred Thomson and Helen Foster.  
It is hoped that this resource will enable community to learn key aspects of Bunganditj grammar, as we continue to reverse language shift and further engage families in the home and community context.

Bungandidj is a language of Australia, spoken by the Bungandidj people, Indigenous Australians who lived in an area which is now in south-eastern South Australia and in south-western Victoria.  
According to Christina Smith and her book on the Buandig people, the Bungandidj called their language drualat-ngolonung (speech of man), or Booandik-ngolo (speech of the Booandik).  
Bunganditj culture stretched back tens of thousands of years. The Bunganditj people tell of the giant, Craitbul, having to abandon his oven on top of Mt Muirhead (near Millicent). He and his people moved to Mt Schank (south of Mt Gambier) where he built a new oven, but the fire did not last and again he had to move, and he moved to Mt Gambier where his fo ur attempts to ...
