Business as Mission (BAM) is a growing global movement. Christians active in the arena of business, charity and church are on a journey to integrate business and holistic mission. But what exactly is BAM? In the book, Gea Gort and Mats Tunehag explain the BAM concept through theory and theology, with stories to show what it looks like in real life. The authors explain that Business as Mission is an expression of a much broader movement. Ideas regarding mission, church, and charity are shifting, and growing number of christians are aiming for a missional way of living out the whole incarnated gospel in their daily lives where they work and live. The inspiring stories of thirty practitioners active on all continents provide insight into how gospel shalon can be shared in innovative and practical ways in challenging settings: in developing nations, secularized Western cities, or even closed countries. This book will not only capture your mind and heart as you learn about Business as Mission in theory and praxis, but it will also give you a broad overview of this remarkable movement. This book provides insight into this global movement and is of interest for a broad range of people: pioneers, early adapters and

der Förderung und Unterstützung von "Helden" hilfreich sind. Ein praktisches Werkzeug begleitet jeden der fünf Schritte, ergänzt mit mehreren Illustrationen für die einfache Umsetzung. Egal ob du zehn oder zehntausend Menschen führst, "Hero Maker" wird dir dabei helfen, die heutige Kirchenkultur zu einem Modell der Reproduktion und Vermehrung zu machen. Die Autoren Dave Ferguson (ein Pastor und Gemeindegründer aus Chicago) und Warren Bird (preisgekrönter Schriftsteller in den USA) stellen eindrucksvoll dar, dass Gottes Kraft und Zweck am besten offenbart werden, wenn wir andere trainieren und freisetzen, die ihrerseits ebenfalls so handeln. Orphanology unveils the grassroots movement that's engaged in a comprehensive response to serve hundreds of millions of orphans and "functionally parentless" children. You'll see a breadth of ways to care with biblical perspective and reasons why we must. Heartwarming, personal stories and vivid illustrations from a growing network of families, churches, and organizations that cross culture show how to respond to God's mandate. The book empowers: - churches—to plan preaching, teaching, ministering, missions, funding adoption, supporting orphans; - individuals and families—to overcome challenges and uncertainties; - every believer—to gain insights to help orphans in numerous ways. Discover how to - adopt; - assist orphans in transition; - engage in foster care; - partner with faith-based fostering agencies; - become orphan hosts. Along with their families' adoption stories, Merida and Morton give steps for action and features on churches doing orphan ministry, faith-based children's homes, orphan-hosting groups, and other resources. Business as mission (BAM), an emerging concept and developing ministry, has drawn fascination in missions and business circles. BAM embodies the practice of using business strategically accomplishing missional purposes. Though the term is ubiquitous in mission circles, there is disparity between its meaning. There has been much theoretical discussion about BAM but far less research accomplished on how it happens out in reality. The Missional Entrepreneur takes an in-depth look at business as missions in action with an eye to expose the most effective principles and practices of this movement. In this landmark book, economist Steve Rundle and missiologist Tom Steffen offer their paradigm for the convergence of business and missions--the Great Commission Company. This revised and expanded edition provides new and updated case studies of Great Commission Companies in diverse contexts around the world. The Externally Focused Quest: Becoming the Best Church for the Community is designed for church leaders who want to transform their churches to become less internally focused and more oriented to the world around them. The

book includes clear guidelines on the changes congregations must adopt to become truly outwardly focused. This book is not about getting all churches to have an annual day of community service as a tactic, but changing the core of who they are and how they see themselves as a part of their community. The Externally Focused Quest outlines ten changes needed for church leaders to transform their churches and presents a highly practical approach that shows leaders how to become more externally focused without having to give up programs that serve members. This book reveals what it takes to make the major shift from internal to external focus and how that affects church leadership.»Wenn du dieses Jahr nur ein einziges Buch liest, muss es dieses sein. Es wird dein Herz brechen.« Nerd Daily Mein Name ist Griz. Meine Kindheit war anders als deine. Ich hatte keine Freunde, einfach aus dem Grund, dass ich außer meiner Familie kaum jemanden kenne. Überhaupt bin ich in meinem ganzen Leben nur einer Handvoll Menschen begegnet. Zwar sagen meine Eltern, dass die Welt einst bevölkert war, doch jetzt gibt es nur noch uns. Aber wir sind nicht einsam auf unserer entlegenen Insel. Wir haben uns - und unsere Hunde. Aber dann kam der Dieb, und er stahl meinen Hund. Auch wenn es kein Gesetz mehr gibt, das Diebstahl bestraft, werde ich ihn mir zurückholen. Denn was bleibt von unserer Menschlichkeit übrig, wenn wir nicht für jene, die wir lieben, alles, wirklich ALLES tun Die Rede von der sakularen Moderne überzeugt nicht mehr. Die kulturelle und politische Präsens der Religion ist ein öffentliches Thema, obwohl die Bindung der Menschen an die Kirchen weiter nachlasst. Wo die Religion auftritt, da zeigt sich, dass es um Identität und Zugehörigkeit geht, um das Eigene und das Fremde, um den Sinn und was das Ganze überhaupt soll. Wilhelm Grab beschreibt, wie die Theologie zur Klärung dieser Fragen beitragen kann. Nicht indem sie normative Ansprüche geltend macht, sondern indem sie Einblick in die Gründe für die ebenso ermutigende wie gefährliche Zugehörigkeit der Religion zum Menschsein verschafft. Der Autor zeigt den lebenspraktischen Gewinn auf, den die Religion aus einer theologischen Verstandigung über sich zieht. Er stellt sich dabei in die Tradition liberaler protestantischer Religions- und Kulturtheologie. Sein Ziel ist es, das Potential frei zu legen, das diese Theologie für das Verstehen und die Bildung von Religion in sich trägt.Space, Time, and Deity. The Gifford lectures at Glasgow 1916-1918. Es ist der Weg zurück zu Gott. We are pleased to offer this fifth title in our APTS Press Monograph Series. This is the publication of the author's doctoral dissertation done through the Concordia Theological Seminary in Fort Wayne, Indiana, USA. The purpose of this series is to give our readers broader access to good scholarship that would otherwise be unavailable outside of the academic community. This is part of our ongoing commitment to discipleship through publishing. Christian mission organizations have enthusiastically embraced "business" as a means of entry for Christian workers who might not otherwise be able to get into these nations, especially MMNs. However, the embracing of business raises some immediate concerns. In light of existing tensions between business and Islam, won't missions-connected businesses be under the same cloud of conflict? More importantly, isn't the Gospel put under this cloud, thereby negatively impacting the spread of the kingdom of God? Also, if the business-and-mission companies' expatriate owners and employees are western (especially American) won't the conflicts inevitably intensify? And if so, are there ways such entities can be operated in order to minimize the conflict with Islamic sensitivities? This book will address these and other related questions. Alles in einem Buch! 30 Jahre hatte Bill Hybels gewartet, bevor er ein Buch über das Thema schrieb, das ihn wie kein anderes bewegt: Führung. In den Höhen und Tiefen seiner Arbeit, als Gründer und Pastor der weltweit bekannten "Willow Creek"-Gemeinde, haben sich seine Gedanken zu diesem Thema kristallisiert und vertieft. In "Mutig führen" entfaltet er seine tiefste Überzeugung und Passion: dass die Kirche die Hoffnung der Welt ist und dass ihre Zukunft in den Händen ihrer Leiter liegt. In seinem ersten Buch als Papst formuliert Franziskus das Herzstück seines Pontifikats. Für alle Gläubigen, aber auch für nachdenkende Menschen ohne konfessionelle Bindung, erläutert er die zentrale Botschaft der Barmherzigkeit - in der ihm eigenen einfachen

und direkten Sprache. Dabei gibt Franziskus persönliche und bislang unbekannte Einblicke in seine Erfahrungen als Priester und erläutert seine Motive für das außerordentliche Heilige Jahr der Barmherzigkeit. Diese ist nichts Geringeres als Ausdruck für die Liebe Gottes. Eine Offenbarung für alle, die auf der Suche nach dem Sinn des Lebens sind und einen Weg des Friedens, der Besinnung und Versöhnung gehen wollen. Jesus war kein Europäer, sondern lebte in einer Kultur, die uns fremd ist. Dieses faszinierende, leicht verständliche Sachbuch liefert Einblicke in die Denkwelt Jesu und des Neuen Testaments. Durch die Beschreibung des kulturellen Umfelds, in dem Jesus gelebt und gewirkt hat, bekommt man ein tieferes Verständnis seiner Aussagen. Der Autor Kenneth E. Bailey hat Jahrzehnte lang im Nahen Osten gelebt und gelehrt. Für seine Analysen zieht er noch weitere arabisch-christliche Bibelausleger des Mittelalters heran. So erfährt man zum Beispiel, warum Jesus in der Krippe, aber nicht im Stall geboren wurde, oder warum er in den Staub schrie, als die Ehebrecherin vor ihm stand. Eine wertvolle Neu-Interpretation vieler biblischer Texte.

The first comprehensive textbook on effective church planting from a veteran church planter. The Apostle Paul was a veteran church planter who "laid a foundation like a wise and master builder" and there is much we can learn from his example. Paul indicated that there were basic skills and experiences required to successfully plant a church. Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament. During his time in prison, Paul spent much of his time writing to Titus, Timothy, and others who'd served alongside him in the trenches to complete their training as church plantings. We can continue to apply these time-tested, proven methods, following the pioneering example of the early church. Today, the casualty rate in is high. What if we could reduce the odds of failing? Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don't end up a walking statistic.

Mit Verantwortung zu mehr Erfolg Die Seal-Offiziere Jocko Willink und Leif Babin führten verschiedene Special-Forces-Einheiten erfolgreich durch die blutigen Wirren des Irakkriegs. Um diese ultimativen Stresssituationen zu überstehen, entwickelten sie eine ganz spezielle Kultur der Disziplin und Verantwortung, die sie für die nächste Generation der Seal-Führungsebene zusammengefasst haben. In ihrem Buch erläutern die beiden Elitesoldaten, wie sie ihre Einheiten durch schwierigste Kriegseinsätze führen konnten und demonstrieren, wie ihre effektiven

Führungsprinzipien vom Schlachtfeld optimal in das unternehmerische Umfeld, auf Teams und auf den Alltag übertragen werden können. Ihr Erfolgsgeheimnis: Verantwortung für die eigenen Fehler übernehmen, aus den Misserfolgen lernen und auf dieser Grundlage neue Lösungsansätze entwickeln. In *Missionary Expatriate Effectiveness*, John Farquhar Plake examines how Pentecostal missionaries adjust to foreign cultural environments and become proficient at their work abroad. Through an interdisciplinary lens, Plake examines predictors of expatriate effectiveness in 949 missionaries working in 127 nations. Chris Wright's pioneering 2006 book, *The Mission of God*, revealed that the typical Christian understanding of "missions" encompasses only a small part of God's overarching mission for the world. God is relentlessly reclaiming the entire world for himself. In *The Mission of God's People*, Wright shows how God's big-picture plan directs the purpose of God's people, the church. Wright emphasizes what the Old Testament teaches Christians about being the people of God. He addresses questions of both ecclesiology and missiology with topics like "called to care for creation," "called to bless the nations," "sending and being sent," and "rejecting false gods." As part of the *Biblical Theology for Life Series*, this book provides pastors, teachers, and lay learners with first-rate biblical study while at the same time addressing the practical concerns of contemporary ministry. *The Mission of God's People* promises to enliven and refocus the study, teaching, and ministry of those truly committed to joining God's work in the world. This bestselling textbook by leading missionary scholars offers an engaging introduction to the work of missions in the contemporary world. It provides a broad overview of the biblical, theological, and historical foundations for missions. It also considers personal and practical issues involved in becoming a missionary, the process of getting to the mission field, and contemporary challenges a mission worker must face. Sidebars, charts, maps, and numerous case studies are included. This new edition has been updated and revised throughout and features a full-color interior. Additional resources for professors and students are available online through Baker Academic's Textbook eSources. We live in a culture where apps and Google calendars manage our time, events, and banking. But all of this management will be meaningless in eternity unless we have applied the biblical principles of stewardship to every aspect of our lives. *More than Money* offers a modern day, relevant perspective that empowers you to apply the concepts of whole-life stewardship. Generally associated with money and giving, stewardship is really about managing everything God has given or entrusted to you: time, talents,

resources, finances, relationships, positions, even the gospel. In a culture where the world around you distracts from the God who holds it together, *More than Money* shows the relevance of God in your daily life and how He has given you freedom to choose how to manage all He's given you. How are you doing? God has entrusted to you to use what He has given to accomplish His purposes. *More than Money* shows you the principles of whole-life stewardship so Christ can say to you "well done, good and faithful servant." After logging thousands of miles in planes, jeeps, dugout canoes, pickup trucks, bicycles, and on foot, LeQuire and du Plessis offer insights into how Christians around the world are using tourism to develop their villages while caring for both creation and culture. Based on a multi-year research project, this book showcases innovative projects that Christian villagers and faith-based organizations are engaging to alleviate poverty through business ventures. Through a unique mix of travelogue and theological reflection, this book concludes with a challenge to the status quo of current short-term mission practice and provides thoughtful alternatives. "God, if you're real, make yourself real to me." Each of us spends our lives on a journey toward God. Yet often our most deeply felt longings—for meaning, for love, for significance—end up leading us away from, instead of toward, our Creator and the person he made us to be. *Finding Your Way Back to God* shows you how to understand and listen to your longings in a whole new way. It's about waking up to who you really are, and daring to believe that God wants to be found even more than you want to find him. It's about making the biggest wager of your life as you ask God to make himself known to you. And it's about watching what happens next. We were created by an infinitely creative God to reflect his love and character to the world. One way we do that is by continuing his creative work. In this energizing book, serial entrepreneur and bestselling author Jordan Raynor helps artists, entrepreneurs, writers, and other creatives reimagine our work as service to God and others, addressing such penetrating questions as – Is my work as a creative really as God-honoring as that of a pastor or missionary? – What does it look like to create not to make a name for myself but to glorify God and serve others? – How can I use my work to fulfill Jesus's command to create disciples? – Will what I make today matter in eternity? To answer these questions, Raynor shares compelling stories from an eclectic group of 40+ Christian entrepreneurs, including the founders of TOMS Shoes, Charity: Water, Chick-fil-A, In-N-Out Burger, Guinness, HTC, and Sevenly, as well as nontraditional entrepreneurs such as C. S. Lewis, Johann Sebastian Bach, and J. R. R. Tolkien. Raynor's "show"

rather than "tell," story-driven style makes you feel as if you are sitting at the feet of some of the godliest and most successful entrepreneurs of all time. Perfectly poised to reach today's growing creative class, this unique work restores God's position as the first entrepreneur, helping readers see the eternal value in the work they do today. Is the language of mission clearly evident across the broad reaches of time? Or has the modern missionary enterprise distorted our view of the past? Michael Stroope investigates how the modern church has come to understand, speak of, and engage in the global expansion of Christianity, offering a hopeful way forward in this pressing conversation. Was kennzeichnet große Leader? Kein anderer als Ken Blanchard, einer der weltweit meistgelesenen Managementautoren, könnte dies so prägnant auf den Punkt bringen. Eine kurzweilige Wirtschaftsstory über erfolgreiche Führung. Would it surprise you to know that New Testament scholars, missiologists, and church-planting authorities cannot agree on how to define tentmaking, whether or not the church should be practicing it today, or even why Paul did it in the first place? It's true. In Tentmaking, the widespread confusion and overall disagreement within the church regarding Paul's self-support are exposed. Commonly held assumptions are removed from their entrenched positions and myths are debunked. In their place, Tentmaking offers an unadorned yet powerfully convincing presentation of Paul's own self-disclosed reasons for intentionally selecting to support himself in some ministry contexts, but not others. This well-researched book provides answers to crucial questions that currently surround tentmaking, as well as a practical guide intended to lead to the recovery of biblical tentmaking within the church. Readers who pick up this book should be prepared to embark on an engrossing journey that will reward them with clarity on the often-misunderstood topic of Paul's tentmaking.
