Enemy Japan From the origins and exodus to the restoration and new hope, Kingdom of Priests offers a comprehensive introduction to the history of Old Testament Israel. Merrill explores the history of ancient Israel not only from Old Testament texts but also from the literary and archeological sources of the ancient Near East. After selling more than 30,000 copies, the book has now been updated and revised. The second edition addresses and interacts with current debates in the history of ancient Israel, offering an up-to-date articulation of a conservative evangelical position on historical matters. The text is accented with nearly twenty maps and charts.

Bela Bartók The story of Mika, a Jewish boy, who finds a way to survive in the Warsaw ghetto - a stunning novel for anyone who was moved by The Tattooist of Auschwitz I was twelve when the coat was made. Nathan, our tailor and dear friend, cut it for Grandfather in the first week of March 1938. It was the last week of freedom for Warsaw and for us Even in the most difficult of lives, there is hope. When Mika's grandfather dies in the Warsaw ghetto, he inherits not only his great coat, but its treasure trove of secrets. In one remote pocket, he finds a papier mache head, a scrap of cloth a puppet prince. And what better way to cheer the cousin who has lost her father, the little boy who is ill, the neighbours living in one cramped room, than a puppet show? Soon the whole ghetto is talking about the puppet boy - until the day when Mika is stopped by a German officer and is forced into a secret life This is a story about survival. It is an epic journey, spanning continents and generations, from Warsaw to the gulags of Siberia, and two lives that intertwine amid the chaos of war. Because even in wartime, there is hope

The Mameluke Drawing on extensive interviews with Prince Charles, a journalist for BBC television examines the Prince's life, his influence on public affairs, his separation from Diana, and the future of the monarchy

The Parthian Coinage

History of China Welcome to the kingdom where princes kiss thieves, princesses dance with their handmaids at midnight, and non-binary magicians see to it that everyone gets their happy-ever-after. 17-year-old Simon The Squirm has spent his life on the run- and he hates it. Breaking the law gives him anxiety, and he always forgets to carry a weapon. Being the son of the 2nd most feared villain in the kingdom has never been easy, but when an ill-conceived plan to steal the Lost Princess's slippers lands him in the dungeon, he makes up his mind to take the first opportunity at freedom. Prince Marco isn't convinced he's the one to rescue the lost Princess Isobel. Sure, he's a handsome and brave royal straight out of a fairy tale- but that doesn't mean he's ready to fall for the first damsel in distress who sends out an S.O.S. When he finds himself smitten with the sarcastic (if bumbling) Simon, a scheme is hatched to save both of them from a not-so-happily-ever-after. The mission is simple: Simon must go in Marco's place to rescue the princess and defeat the wicked magician who stole her. But when it becomes clear that Princess Isobel would rather be saved by her handmaid, Prince Marco and Simon might just end up rescuing each other instead. Perfect for fans of The Two Princes podcast and Sonan Chainani, The Prince And The Puppet Thief is a hilarious and swoon-worthy fairy tale rom-com by and for the LGBT community.

The Little Prince Shadow Puppets Marriage as Political Strategy and Cultural Expression is the first comprehensive study of Mongolian royal marriages from World Empire (1206-1279) to the Yuan dynasty (1279-1368) in Asia. This study examines the Mongolian royal family's marriage strategies and the political implications of these royal marriages, specifically, the intermarriages between the Mongolian royal house and its allies, including the Onggirat, the Oirat, and other Mongol peoples as well as the Uighur State and Korea in Central and East Asia. This book concludes that the short lifespans of Mongol royalty after Khubilai Khan were the result of consanguineous marriage and inbreeding - genetic factors that contributed to the collapse of the Mongol dynasty.

the puppet princess Kingdoms will fall, gods will die, and hearts will be broken in this sprawling new fantasy from New York Times bestselling author Jodi Meadows. In the middle of nothingness is the Island of Salvation. Reality bends easily here. Villages disappear. Forests burn forever. Pockets of inconsistent time are everywhere, their boundaries strung with yellow ribbon. And the three kingdoms of Salvation have been at war for a thousand years. But the greatest threat is the Malice, an incursion from the demon plane slowly tearing its way through the world's weakest seams. Seams that—once split—will lead to the total unraveling of night and day, light and dark, life and death. Not that the human world takes much interest. Of more concern is the upcoming marriage of Rune Hightower, Prince of Caberwill, and Johanne Fortuin, Princess of Embria—the serpent bride, a girl of famous cunning—which offers a possible end to the ancient conflict. But Rune has noticed the growing darkness, and he is determined to summon mankind's only

defense: Nightrender, the hammer of the gods, an immortal warrior more weapon than girl. There is only one problem. The last time she was summoned, she slaughtered every royal in Salvation, and no one knows why. Will she save humanity from the Malice... or plunge it deeper into the fires of eternal war?

The Puppet Show Of Memory This monumental book, first published in 1992, represents a major contribution to Sephardic and Hispanic studies as well as to comparative folklore scholarship in a worldwide perspective. After many years of fieldwork and extensive archival investigations in Spain, Israel and the United States, the author has brought together and analysed a massive body of primary sources. This is the first collection of Sephardic narratives offered to the English-speaking reader, and constitutes an important addition to the understanding of Sephardic cultural tradition.

Mughal Empire in India The story of Mika, a Jewish boy, who becomes a puppeteer in the Warsaw ghetto - a stunning debut for fans of The Tattooist of Auschwitz, The Boy with the Striped Pyjamas and Schindler's List I was twelve when the coat was made. Nathan, our tailor and dear friend, cut it for Grandfather in the first week of March 1938. It was the last week of freedom for Warsaw and for us Even in the most difficult of lives, there is hope. And sometimes that hope comes in the form of a small boy, armed with a troupe of puppets - a prince, a girl, a fool, a crocodile with half-painted teeth. When Mika's grandfather dies in the Warsaw ghetto, he inherits not only his great coat, but its treasure trove of secrets. In one remote pocket, he finds a papier mache head, a scrap of cloth the prince. And what better way to cheer the cousin who has lost her father, the little boy who his ill, the neighbours living in one cramped room, than a puppet show? Soon the whole ghetto is talking about the puppet boy - until the day when Mika is stopped by a German officer and is forced into a secret life This is a story about survival. It is an epic journey, spanning continents and generations, from Warsaw to the gulags of Siberia, and two lives that intertwine amid the chaos of war. Because even in wartime, there is hope

Assyrian Colonies in Cappadocia

Nightrender This first book-length exploration of geographical engagement with puppets examines constructions of puppets in contemporary popular British culture and considers the various ways in which puppets and humans (not just puppeteers) are unified in diverse cultural media. Organised around themes of metaphorical, performative and transformational puppets, the work draws out how puppets are used in diverse cultural media (fiction, music, television, film and theatre), how they are constructed through those uses, and to what effect. Both puppets as generalised forms (bodily, relational or ideational) and specific puppet characters (Mr Punch, Pinocchio) are explored. Building upon existing associations between puppets and the grotesque, the volume extends understandings of the puppet by elaborating borderscaping strategies through which puppets are constructed and an alternative perspective on the uncanniness of puppets. Geographically, it unearths distinct puppet spatialities, identifies the socially critical potential of puppets, rescales geo/bio-politics at the interpersonal level, and highlights the

potential of puppets within posthuman debates about the status of the human. This work will be of interest to anyone fascinated by puppets, as well as those in fields such as geography, anthropology, cultural and media studies, and those interested in the grotesque, posthumanism and/or non-representational scholarship.

Niccolo and Nicollette

Kingdom of Priests The time is ripe. Once a globally renowned statesman, Maxwell Hurst has been groomed for his place in history. The implication and installation of the New World Order is at hand even while nations are on the brink of war. Under the leadership of Archbishop Jeffrey Richards, Muslims, Christians, and Jews work relentlessly to pull together knitting a scarlet tapestry to cover the back of the Beast. The Puppet Prince is a look into the secret life of Maxwell Hurst, a man of destiny to be revealed in due time along with the not-so-secret life of his beautiful and popular wife, Marion, and their two children. Observe how the powers-that-be move the pieces into place to create what they perceive to be the salvation of their planet. Just as the hallmark of their plan is set to be implemented, mysterious supernatural messages are received from multitudes of colorful glowing Orbs descending and hovering over the earth. A dire warning is delivered to every man, woman, and child before the Orbs ascend back to the heavens from whence they came. Not to be deterred by these celestial events, Maxwell's elaborate inauguration as the first president of the United Sates of the World is set to take place in the newly constructed Temple in Jerusalem. With the world in attendance through Telecom, Maxwell is inaugurated by an unexpected celestial being. Her declaration of his royalty shocks the world to the core and all hell breaks loose-literally.

Spaces of Puppets in Popular Culture She did not have an illustrious family background, nor did she have an impeccable appearance. However, she climbed step by step up to the position of concubine. She had given birth to six children for Emperor Kang Xi, and had once pampered the harem! She had had the simplest of loves, had experienced the most complicated plans of a palace, had wanted to see through the walls of the palace cold and lonely, and had also shocked the imperial harem. She was the only one!
