Violin Vs Guitar 2022: Top Full Guide & Review - FIDLAR When you start playing violin you will play in "easy keys" such as C, G, D, and A major. Here it is always possible to find an interval up against the note you are playing, for checking if you are in tune. Beware of the comma of Didumos. Comparing first finger on the A string with E, does not yield the same result as comparing with the D-string. More about this later. The note of Eb does ...

Violin Guide | 1fc8a92c5d1613836f588dcf09334b6e With a quick guide, let's talk about how to choose the right violin strings to keep your instrument sounding beautiful. What Difference Do Strings Make? Choosing the right types of strings makes a huge difference to your sound when you play the violin. Not only that, but it will also affect the way you play, the tension on the strings, how thick they are, and how to change the strings. The ...
