I recently bought "*Why should anyone work here?*" book from same authors but once I started with it I thought that I should actually start with this one first as it was first released already in 2005 (also have Estonian translation version from that time in my bookshelf). In high level I was expecting a bit more systematic approach but it felt repetitive and jumping around different, the

In *Why Should Anyone Work Here?*, the authors argue that it used to be that businesses could ask individuals to conform to the organization's needs but that now today's leaders are charged with creating the best company on earth to work for: they must transform their organizations

to attract the right people, keep them,
